

## Anodizing CNC Lathe Parts Designed and Manufactured in

Our Product Introduction

For more products please visit us on [lathecnmachining.com](http://lathecnmachining.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Industrial Man
- Certification: IATF 16949: 2016/ISO 9001:2015
- Model Number: OEM
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

### Product Specification

- Process: Cnc Machining + Surface Treatment
- Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)
- MOQ: 1 Piece
- Micro Machining Or Not: Micro Machining
- Type: Broaching, DRILLING, Etching / Chemical Machining, Laser Machining, Milling, Other Machining Services, Rapid Prototyping, Turning, Wire EDM
- Equipment: 3/4/5 Axis Center Machining
- Highlight: **Anodizing CNC Lathe Parts,  
CNC Lathe Parts Manufactured,  
CNC Lathe Parts Designed**

### Product Description

**Product Description:**

Our Pr

CNC Lathe Machine Parts are precision parts manufactured using computer numerical control (CNC) technology. Our CNC Lathe Machine Parts are high-performance, reliable and available in a variety of shapes and sizes. Our CNC Lathe products are used in a number of industries, including automotive, aerospace, medical and industrial. We offer custom CNC machining services, including CNC milling, CNC turning, EDM machining, surface treatment and finishing. Our CNC machining services are certified to IATF 16949: 2016/ISO 9001:2015 and are capable of producing high-precision, complex parts with tight tolerances. We are also capable of providing OEM and ODM parts for our customers' specific requirements. We provide Computer Numerical Control (CNC) Parts, Computerized Machining Parts, Computerized Lathe Parts, Metal Parts Machining, Customized Machining, OEM Parts, ODM Parts, CNC Milling Parts and CNC Turning Parts.

### Features:

Product Name: CNC Lathe Machine Parts  
CNC Machining or Not: Cnc Machining  
OEM/ODM: OEM ODM CNC Milling Turning Machining Service  
Model Number: OEM Customized Metal Parts Machining  
Equipment: 3/4/5 Axis Center Machining  
Process: Cnc Machining + Surface Treatment  
Keywords: Computerized Lathe Parts, Computerized Lathe Parts, Computerized Machining Parts

### Technical Parameters:

Features	Description
Micro Machining	Micro Machining
Brand Name	OEM/ODM Aluminum Anodizing Part
Model Number	OEM Customized Metal Parts Machining
Certification	IATF 16949: 2016/ISO 9001:2015
Place of Origin	Guangdong, China
MOQ	1 Piece
OEM/ODM	OEM ODM CNC Milling Turning Machining Service
CNC Machining	Cnc Machining
Process	Cnc Machining + Surface Treatment
Equipment	3/4/5 Axis Center Machining

### Applications:

Industrial Man's CNC Lathe Machine Parts offer the perfect combination of quality and reliability for any industrial application. Our CNC Lathe Machine Parts are created using advanced computerized machining techniques to ensure the highest level of accuracy and precision. We specialize in custom-tailored CNC Lathe Parts Manufacturing and OEM/ODM CNC Milling Turning Machining Services to meet the individual needs of our customers. Our CNC Lathe Parts are designed and manufactured to provide superior strength and durability in even the most demanding applications. Our advanced computerized machining technologies are capable of producing CNC Lathe Parts with extremely tight tolerances and intricate details. Our CNC Lathe Parts are perfect for a wide range of industries, including automotive, aerospace, medical, and industrial manufacturing. Industrial Man is committed to providing the highest quality CNC Lathe Parts for all of your industrial needs.

### Customization:

Custom CNC Lathe Machine Parts

Our custom CNC lathe machine parts are ideal for your production needs. These parts are made with precision and accuracy using the latest machinery and computerized lathe technology. They are made with quality aluminum and anodizing for the perfect finish.

#### Product Attributes:

Brand Name: OEM/ODM Aluminum Anodizing Part  
Model Number: OEM  
Place of Origin: Guangdong, China  
Micro Machining or Not: Micro Machining  
Process: CNC Machining + Surface Treatment  
MOQ: 1 Piece  
Equipment: 3/4/5 Axis Center Machining  
**Keywords:**  
CNC Machining Components, Computerized Lathe Parts, CNC Lathe Parts, Aluminum Anodizing Parts

### Support and Services:

Technical Support and Service for CNC Lathe Machine Parts

We provide comprehensive and professional technical support and service for CNC Lathe Machine Parts. Our experienced and knowledgeable technicians have the skills and expertise to help with all aspects of CNC Lathe Machine Parts installation, maintenance and troubleshooting.

Our technical support and service team is available to answer any questions you may have about product installation, repair, maintenance or troubleshooting. We provide comprehensive technical support and service for all types of CNC Lathe Machine Parts. We can help with:

Installation  
Troubleshooting  
Operation  
Maintenance  
Repair  
Upgrades

We offer customer-focused technical support and service for CNC Lathe Machine Parts. We strive to provide the highest quality of customer service and support. We are committed to providing a prompt and satisfactory response to all customer inquiries. If you have any questions or need help with CNC Lathe Machine Parts, please do not hesitate to contact us. Our technical support and service team is available to answer any questions you may have.

### Packing and Shipping:

CNC Lathe Machine Parts Packaging and Shipping:

The CNC Lathe Machine Parts will be carefully packaged in protective bubble wrap and cardboard boxes to ensure safe and secure delivery. All orders will be shipped out within 1-3 business days. We offer free shipping on all orders of \$50 and above. For orders under \$50, there will be a shipping fee of \$10. We use a variety of carriers to ensure that your order is delivered in a timely manner. The carriers used include USPS, UPS, FedEx, and DHL.

### FAQ:

**Q:** What brand is Industrial Man CNC Lathe Machine Parts?

**A:** Industrial Man is the brand name of our CNC Lathe Machine Parts.

**Q:** What is the model number of Industrial Man CNC Lathe Machine Parts?

**A:** The model number of Industrial Man CNC Lathe Machine Parts is OEM.

**Q:** Where are Industrial Man CNC Lathe Machine Parts manufactured?

**A:** Industrial Man CNC Lathe Machine Parts are manufactured in Guangdong, China.

**Q:** What materials are used in Industrial Man CNC Lathe Machine Parts?

**A:** Industrial Man CNC Lathe Machine Parts are made from high-grade materials and components.

**Q:** What are the features of Industrial Man CNC Lathe Machine Parts?

**A:** Industrial Man CNC Lathe Machine Parts are designed for high accuracy and long-lasting performance.
