

Precision Engineered CNC Lathe Machine Parts with 3/4/5 Axis Center Machining

Our Product Introduction

For more products please visit us on lathecnrmachining.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: OEM/ODM Aluminum Anodizing Part
- Certification: IATF 16949: 2016/ISO 9001:2015
- Model Number: OEM Customized Metal Parts Machining
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- Surface Treatment: Anodizing, Polishing, Plating, Painting
- MOQ: 1 Piece
- Surface Roughness: Ra 0.1~3.2, As Requirement
- Type: Broaching, DRILLING, Etching / Chemical Machining, Laser Machining, Milling, Other Machining Services, Rapid Prototyping, Turning, Wire EDM
- Micro Machining Or Not: Micro Machining
- Highlight: **3 Axis CNC Lathe Machine Parts,**
5 Axis CNC Lathe Machine Parts

Product Description

Product Description:

Our Product

CNC Lathe Machine Parts are an integral part of any modern manufacturing process. Our CNC Lathe Parts are designed to meet the highest standards and manufactured from the best quality materials. Our CNC Lathe Machine Parts can be custom designed to meet the specific requirements of any application. We offer efficient and reliable CNC Lathe Parts with Minimum Order Quantity of 1 Piece, 3/4/5 Axis Center Machining, Drawing Format of 2D/PDF/CAD/3D/IGES/STEP and OEM/ODM CNC Milling Turning Machining Service. We are a leading manufacturer and supplier of CNC Lathe Parts in Guangdong, China with years of experience in CNC Lathe Parts, CNC Machining Components and CNC Lathe Parts Manufacturer.

Features:

Product Name: **CNC Lathe Machine Parts**

Certification: **IATF 16949: 2016/ISO 9001:2015**

Tolerance: **±/0.005mm**

MOQ: **1 Piece**

CNC Machining or Not: **Cnc Machining**

Equipment: **3/4/5 Axis Center Machining**

Speciality: **Computerized Machining Parts, Computerized Lathe Parts, CNC Lathe Parts, Precision Machining Parts**

Technical Parameters:

Parameter	Value
OEM/ODM	OEM ODM CNC Milling Turning Machining Service
Equipment	3/4/5 Axis Center Machining
Certification	IATF 16949: 2016/ISO 9001:2015
Model Number	OEM Customized Metal Parts Machining
Place of Origin	Guangdong, China
Micro Machining or Not	Micro Machining
Tolerance	±/0.005mm
Type	Broaching, DRILLING, Etching / Chemical Machining, Laser Machining, Milling, Other Machining Services, Rapid Prototyping, Turning, Wire EDM
MOQ	1 Piece
Surface Roughness	Ra 0.1~3.2, As Requirement
Computer Numerical Control Parts	Yes
Computerized Lathe Parts	Yes
CNC Lathe Parts	Yes

Applications:

Industrial Man's CNC Lathe Machine Parts are perfect for a variety of applications and scenarios. These Computer Numerical Control Parts are precision machined to exact specifications with CNC Machining Components and Metal Parts Machining technology. Industrial Man is certified with IATF 16949: 2016/ISO 9001:2015 and provides surface roughness of Ra 0.1~3.2, as required. With a minimum order quantity of one piece, Industrial Man's CNC Lathe Machine Parts are sure to meet all of your machining needs.

Customization:

CNC Lathe Machine Parts Customization Service

We offer customized CNC Lathe Machine Parts with the following features:

Brand Name: OEM/ODM Aluminum Anodizing Part

Model Number: OEM

Place of Origin: Guangdong, China

Certification: IATF 16949: 2016/ISO 9001:2015

Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)

OEM/ODM: OEM ODM CNC Milling Turning Machining Service

MOQ: 1 Piece

We specialize in Computerized Machining Parts, providing high quality services for our clients.

Support and Services:

We provide technical support and services for CNC Lathe Machine Parts. Our technical support team is available to answer any queries or support issues you may have. Our technicians are highly experienced and knowledgeable in the use and maintenance of CNC lathe machines and the parts associated with them. We provide a comprehensive support package which includes regular maintenance, troubleshooting, and upgrades.

Our services also include onsite repair and installation of new or replacement parts. We can provide a full range of support to ensure your CNC lathe machine is running efficiently and safely. We are committed to providing the highest level of customer service and satisfaction.

Packing and Shipping:

Packaging and Shipping for CNC Lathe Machine Parts

CNC Lathe Machine Parts are packaged using high-quality corrugated boxes and shrink wrap. The packaging is designed to protect the parts from any potential damage during shipping.

We use experienced freight carriers to ensure the safe and timely delivery of CNC Lathe Machine Parts. We also provide tracking

information so customers can monitor the status of their order.

FAQ:

Q: What is the brand name of CNC Lathe Machine Parts?

A: The brand name of CNC Lathe Machine Parts is Industrial Man.

Q: What is the model number of CNC Lathe Machine Parts?

A: The model number of CNC Lathe Machine Parts is OEM.

Q: Where is the place of origin of CNC Lathe Machine Parts?

A: The place of origin of CNC Lathe Machine Parts is Guangdong, China.

Q: What materials are CNC Lathe Machine Parts made of?

A: CNC Lathe Machine Parts are made of high-quality materials such as stainless steel, aluminum, and brass.

Q: What types of CNC Lathe Machine Parts are available?

A: We offer a wide variety of CNC Lathe Machine Parts, such as spindles, slides, gears, and tool holders.
