

IATF 16949 Precious Metal CNC Milling Machining Parts Industrial

Our Product Introduction

For more products please visit us on lathecnmachining.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Industrial Man
- Certification: IATF 16949: 2016/ISO 9001:2015
- Model Number: OEM
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- MOQ: 1 Piece
- Product Name: CNC Milling Machining Parts
- Micro Machining Or Not: Micro Machining
- Equipment: 3/4/5 Axis Center Machining
- Surface Treatment: Customer's Request
- CNC Machining Or Not: Cnc Machining
- Type: Broaching, DRILLING, Laser Machining, Milling, Turning, Wire EDM
- Highlight: IATF 16949 CNC Milling Machining Parts,
IATF CNC Milling Machining Parts,
IATF 16949 industrial cnc machining

Product Description

Product Description:

Our Product Introduction

CNC machining parts are widely used in various applications due to their precise tolerances and superior precision. Our CNC milling parts are made with high precision and accuracy, using 3/4/5 axis CNC center machining and a tolerance range of 0.01 - +/-0.005mm. We offer a variety of CNC machining types, including broaching, drilling, laser machining, milling, turning and wire EDM. Our CNC milling parts come from Dongguan, Guangdong and we can customize the surface treatment according to customer's request.

Features:

Product Name: CNC Milling Machining Parts

Equipment: 3/4/5 Axis Center Machining

CNC Machining or Not: CNC Machining

MOQ: 1 Piece

Material Capabilities: Aluminum, Brass, Bronze, Copper, Hardened Metals, Precious Metals, Stainless Steel, Steel Alloys

Certification: IATF 16949: 2016/ISO 9001:2015

Special Features: Milling Machining Components, CNC Machining Parts, Computer Numerical Parts

Technical Parameters:

Parameter	Value
Place of Origin	Dongguan,Guangdong
Micro Machining or Not	Micro Machining
Material Capabilities	Aluminum, Brass, Bronze, Copper, Hardened Metals, Precious Metals, Stainless Steel, Steel Alloys
Type	Broaching, DRILLING, Laser Machining, Milling, Turning, Wire EDM
Surface treatment	Customer's Request
MOQ	1 Piece
Drawing Format	IGS STP STL
Product name	CNC Milling Machining Parts
Tolerance	0.01 - +/-0.005mm
Equipment	3/4/5 Axis Center Machining
Numerical Control Parts	Yes
Numerical Controlled Parts	Yes
Milling Machined Parts	Yes
CNC Machined Parts	Yes

Applications:

INDUSTRIAL-MAN is a renowned brand for providing state-of-the-art and high-precision CNC Milling Machining Parts. Our CNC Milling Machining Parts are made of quality materials such as Aluminum, Brass, Bronze, Copper, Hardened Metals, Precious Metals, Stainless Steel, and Steel Alloys. We also provide various surface treatments according to customer requests. Our CNC Milling Machining Parts can be used for various machining processes such as Broaching, Drilling, Laser Machining, Milling, Turning, and Wire EDM. Our Computer Numerical Parts and Computerized Machining Parts are especially designed for precision and reliability. Furthermore, our Computerized Milling Parts provide superior accuracy and high-quality performance in various applications. With INDUSTRIAL-MAN, you can always be sure to get the highest quality and most reliable CNC Milling Machining Parts.

Customization:

INDUSTRIAL-MAN offers professional custom CNC Milling Machining Parts services. Our CNC Milling Machining Parts are made with precision and high quality standards. Our CNC Milling Machining Parts are made with the highest grade materials and are built to last. Our CNC Milling Machining Parts are certified with IATF 16949: 2016/ISO 9001:2015. We use 3/4/5 Axis Center Machining equipment for our CNC Milling Machining Parts, giving them superior accuracy and finish. All our CNC Milling Machining Parts are tailored to meet your specific requirements. Whether you need computer numerical parts, milling machining components, or other CNC machining components, INDUSTRIAL-MAN is here to help you get the parts you need. Contact us today to learn more about our CNC Milling Machining Parts services.

Support and Services:

Technical Support and Service for CNC Milling Machining Parts

We provide 24/7 technical support and service for our CNC milling machining parts. Customers may contact us via email, telephone or our online chat system. Our experienced technicians are available to answer questions, troubleshoot problems, and provide guidance on how to use the product. We also offer a range of services including installation, maintenance, calibration, and repair. In addition, we have a comprehensive library of instructional and maintenance videos to help customers get the most out of their CNC milling machining parts. Our team is committed to providing customers with world-class support and service.

Packing and Shipping:

Packaging and Shipping for CNC Milling Machining Parts:

We use box packaging and ship the parts via air freight, sea freight, or express courier services like DHL, UPS, and FedEx.

The parts are securely packed with bubble wrap and foam for additional protection. We also wrap the parts with black plastic film to protect them from any moisture.

FAQ:

Q: What brand is the CNC Milling Machining Parts?

A: The CNC Milling Machining Parts is from Industrial Man.

Q: What is the model number for the CNC Milling Machining Parts?

A: The model number is OEM.

Q: Where is the CNC Milling Machining Parts manufactured?

A: The CNC Milling Machining Parts is manufactured in Guangdong, China.

Q: What materials can be used to manufacture CNC Milling Machining Parts?

A: The CNC Milling Machining Parts can be made of various materials such as aluminum, steel, stainless steel, brass, etc.

Q: What is the lead time for the CNC Milling Machining Parts?

A: The lead time for the CNC Milling Machining Parts depends on the complexity of the design and the quantity of the parts, but it usually takes 10-15 days.
