

Precision Metal Brass Steel Turned Parts CNC Components ODM

Our Product Introduction

For more products please visit us on lathecnrmachining.com

Basic Information

- Place of Origin: Guangdong, Shenzhen
- Brand Name: INDUSTRIAL-MAN
- Certification: IATF 16949: 2016/ISO 9001:2015
- Model Number: OEM
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 3-5 Days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- Micro Machining Or Not: Micro Machining
- OEM/ODM: Accepted
- Drawing Format: STP . STEP . IGS . PRT . X_T
- Product Name: CNC Turning Machining Parts
- Material Capabilities: Aluminum, Brass, Bronze, Copper, Hardened Metals, Precious Metals, Stainless Steel, Steel Alloys
- Highlight: **ODM steel turned parts,
CNC Precision steel turned parts,
ODM brass precision turned components**

Product Description

Product Description:

Our Product

CNC Turning Machining Parts

At CNC Turning Machining Parts, we provide 5 Axis CNC Machining Parts, Custom CNC Machining Parts, CNC Machining Metal Parts with MOQ of 1 piece and drawing format including STP . STEP . IGS . PRT . X_T. Sample is available for you to check the quality. Tolerance of parts can be achieved up to 0.01- +/-0.005mm with our CNC machining technology. All CNC Turning Machining Parts are made with precision and accuracy.

Features:

Product Name: CNC Turning Machining Parts
Place of Origin: Guangdong,Shenzhen
Drawing Format: STP . STEP . IGS . PRT . X_T
MOQ: 1 Piece
Sample: Available
Delivery Time: 3-5 Days
5 Axis CNC Machining Parts
CNC Machining Metal Parts
CNC Turning Machining Parts

Technical Parameters:

Product Name						CNC Machining or Not	
CNC Turning Machining Parts						CNC Machining	
Surface treatment	Delivery Time	Equipment	Certification	OE M/O DM	Tolerance	Drawing Format	Material Capabilities
Customer's Request	3-5 Days	3/4/5 Axis Center Machining	IATF 16949: 2016/ISO 9001:2015	Accepted	0.01- +/-0.005mm	STP . STEP . IGS . PRT . X_T	Aluminum, Brass, Bronze, Copper, Hardened Metals, Precious Metals, Stainless Steel, Steel Alloys

Applications:

Industrial Man's Custom CNC Machining Parts are perfect for a wide range of applications and scenarios. With its precision, accuracy and durability, you can trust that our CNC Turning Parts will meet your requirements. Our parts are made with brand name Industrial Man and with custom OEM/ODM options to meet your individual needs. We guarantee that our CNC Machining Auto Parts will have a fast delivery time of 3-5 days, and the surface of the parts can be customized according to your request. We also have a minimum order quantity of 1 piece to help meet your needs. Our Custom CNC Machining Parts are perfect for any CNC Turning Parts requirements.

Customization:

Industrial Man offers custom CNC machining services for CNC machining metal parts, CNC machining turning parts and CNC machining auto parts with Brand Name of Industrial Man, Model Number OEM, Place of Origin Guangdong,Shenzhen, Certification of IATF 16949: 2016/ISO 9001:2015, Surface treatment of Customer's Request, Drawing Format of STP . STEP . IGS . PRT . X_T and CNC Machining or Not of CNC Machining.

Support and Services:

CNC Turning Machining Parts Technical Support and Services

At our company, we provide technical support and services for CNC Turning Machining Parts. Our team of experts is available to answer any questions you may have and provide support for any issues you may be having. We also offer a wide variety of services including on-site installation and maintenance, troubleshooting, product testing, and more. Whether you need help with installation, troubleshooting, or a customized service, our team is here to help.

Customer service is our top priority, and we are committed to providing the best experience possible. We strive to ensure that every customer is satisfied with their purchase and that their needs are met. We are always available to answer any questions or concerns you may have. We also offer a variety of additional services to help you get the most out of your CNC Turning Machining Parts.

Packing and Shipping:

Packaging and Shipping for CNC Turning Machining Parts:

Packaging: The parts will be carefully packaged and protected to avoid damage during shipping.

Shipping: Parts will be shipped out via express courier, air freight or sea freight according to customer's requirement.

FAQ:

Q1: What is CNC Turning Machining Parts?

A1: CNC Turning Machining Parts is a type of industrial machining process that uses a cutting tool to remove material from a rotating workpiece, typically metal, to create a desired shape or finish.

Q2: What is the brand name of these parts?

A2: The brand name of these parts is Industrial Man.

Q3: What is the model number of these parts?

A3: The model number of these parts is OEM.

Q4: Where are these parts manufactured?

A4: These parts are manufactured in Guangdong, China.

Q5: What materials are these parts made of?

A5: These parts are made of metal, and the specific material used will depend on the application.
