

Photosensitive Resins SLA SLS 3D Printing Statue Customized

Our Product Introduction

For more products please visit us on lathecnrmachining.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Shenzhen Industrial Man
- Certification: ISO 9001:2015
- Model Number: OEM
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- Material: Photosensitive Resins
- Logo: Accept Custom Logo
- Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)
- MOQ: 1 Piece
- Product Name: Custom Prototype Model 3D Printing
- Tolerance: 0.01-0.05mm
- Highlight: **Photosensitive Resin SLA SLS 3D Printing, SLA SLS 3D Printing Statue, customized 3d statue SLA**

Product Description

Product Description:

Our Product

SLA SLS 3D Printing is an industrial 3D printing rapid prototyping service that uses the latest technology to provide high-precision 3D printing services for a wide variety of applications. Featuring a tolerance range of 0.01 to 0.05mm, this 3D printing process is capable of producing parts with different colors, including photosensitive resins, engineering plastics, metals, ceramics and rubber. We also accept custom logo and the MOQ is only 1 piece. We can provide custom prototype models according to your requirements with 3D printing post processing machines. SLA SLS 3D Printing is the perfect choice for industrial 3D printing rapid prototyping services.

Features:

Product Name: SLA SLS 3D Printing
Size: Customer's 3D Drawing
Logo: Accept Custom Logo
Micro Machining or Not: Micro Machining
Brand Name: Shenzhen Industrial Man
Material: Photosensitive Resins
Industrial SLA 3D Printer
Industrial SLS 3D Printer
Industrial Plastic 3D Printer

Technical Parameters:

Parameter	Details
Color	Photosensitive Resins, Engineering Plastics, Metals, Ceramics, Rubber
Material	Photosensitive Resins
Logo	Accept Custom Logo
Model Number	Custom Prototype Model
Certification	ISO 9001:2015
Micro Machining or Not	Micro Machining
Tolerance	0.01-0.05mm
Brand Name	Shenzhen Industrial Man
Product name	Custom Prototype Model 3D Printing
MOQ	1 Piece
3D Lenticular Printing Service	Industrial SLA 3D Printer, Industrial Plastic 3D Printer

Applications:

Industrial Man's custom prototype model 3D printing service is a revolutionary way to create customized 3D objects. With its photosensitive resins, engineering plastics, metals, ceramics, and rubber, Industrial Man's 3D printing service offers unparalleled design options for a wide range of applications, such as product prototyping, rapid prototyping, and 3D lenticular printing. Industrial Man's Industrial Resin 3D Printer enables designers to create complex 3D models with precise dimensions, based on customers' 3D drawings. It also features ISO 9001:2015 certification and allows customers to customize their logos. The Industrial Resin 3D Printer is the perfect solution for designers who want to create unique 3D objects quickly and efficiently.

Customization:

Industrial Man offers **3D Printing Rapid Prototyping Services** with customized product features:

Brand Name: Industrial Man

Model Number: OEM

Place of Origin: Guangdong, China

Logo: Accept Custom Logo

Material: Photosensitive Resins

Size: Customer's 3D Drawing

Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)

Micro Machining or Not: Micro Machining

Using innovative **Industrial Resin 3D Printer** technology, our 3D Lenticular Printing Service provides high quality customizable products with fast turnaround times.

Support and Services:

SLA & SLS 3D Printing Technical Support and Services

We provide a comprehensive range of technical support and services for SLA and SLS 3D Printing. Our experts are available to help with any technical issues you may encounter.

Free technical advice and troubleshooting

On-site and remote diagnostics

Software updates and upgrades

Maintenance and repair

Training and support for new users

Contact us today to discuss your technical support and service needs for SLA and SLS 3D Printing.

Packing and Shipping:

Packaging and Shipping for SLA SLS 3D Printing

All products will be carefully packaged using high-quality materials to ensure safe arrival.

Products will be shipped using reliable courier services.

Delivery times may vary depending on the destination and the type of product.

All orders will be tracked and customers will be informed of the status of their order.

FAQ:

Q1: What is the brand name of SLA SLS 3D Printing?

A1: The brand name of SLA SLS 3D Printing is Industrial Man.

Q2: What is the model number of SLA SLS 3D Printing?

A2: The model number of SLA SLS 3D Printing is OEM.

Q3: Where is the place of origin of SLA SLS 3D Printing?

A3: The place of origin of SLA SLS 3D Printing is Guangdong, China.

Q4: What features does SLA SLS 3D Printing have?

A4: SLA SLS 3D Printing has features of high accuracy, good stability and low cost.

Q5: What materials does SLA SLS 3D Printing use?

A5: SLA SLS 3D Printing uses various materials, such as ABS/PLA, nylon, resin, etc.
