

## OEM Metal 3D Printing Service Titanium Alloy STEP Drawing Format

Our Product Introduction

For more products please visit us on [lathecnmachining.com](http://lathecnmachining.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Industrial Man
- Certification: ISO9001:2015
- Model Number: Customized
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

### Product Specification

- Color: Natural Color
- Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)
- Micro Machining Or Not: Micro Machining
- Material: ABS,Rubber,Plastic,Nylon
- OEM/ODM: OEM/ODM
- Highlight: OEM Titanium Metal 3D Printing Service,  
STEP Metal 3D Printing Service,  
OEM titanium alloy 3d printing

### Product Description

**Product Description:**

Our Product Introduction

Metal 3D Printing Service is a professional 3D printing service provider, providing high-quality 3D printing services for customers. It offers a wide range of 3D printing materials, including ABS, Rubber, Plastic, Nylon, etc. With the latest 3D printing technology and advanced 3D printing equipment, customers are able to get customized 3D printing models with high precision and accuracy. It also supports customized 3D printing products with various drawing formats, such as 2D/(PDF/CAD)3D(IGES/STEP). Besides, the Metal 3D Printing Service also provides OEM/ODM services. It has a wide range of 3D prototyping and 3D printing services, including 3D printer metal filament, 3D prototype printing services, and 3D printer metal filament components. Hence, Metal 3D Printing Service is the perfect choice for customers looking for high-quality 3D printing services.

### Features:

Product Name: Metal 3D Printing Service  
Materials: ABS, Rubber, Plastic, Nylon  
Brand Name: Industrial Man  
Color: Natural Color  
Micro Machining or Not: Micro Machining  
3d Printer Metal Filament: Support

### Technical Parameters:

Product Name	Metal 3D Printing Service
Model Number	Customized
Color	Natural Color
Micro Machining or Not	Micro Machining
Material	ABS,Rubber,Plastic,Nylon
OEM/ODM	OEM/ODM
Drawing Format	2D/(PDF/CAD)3D(IGES/STEP)
Brand Name	Industrial Man
Place of Origin	Guangdong, China
Keywords	3d Printer Metal Filament, 3D Printing Rapid Prototyping Services, Industrial Resin 3D Printer

### Applications:

Industrial Man's Metal 3D Printing Service is the perfect solution for when you need metal parts quickly, with the utmost precision and quality. Our 3D printers are equipped with the latest technology, allowing for fast and accurate 3D printing of metal filaments. The product is highly customizable, with a range of options to choose from to meet your exact specifications. You can also request customization of the model number, color, and other details. Our 3D printing rapid prototyping services and post processing machines ensure that your metal parts are made with the highest standards of quality and accuracy. OEM/ODM services are also available, allowing for completely customized metal 3D printing services. With Industrial Man's Metal 3D Printing Service, you can rest assured that you are getting the best quality metal parts, delivered quickly and accurately.

### Customization:

Industrial Man 3D Printing Service  
Brand Name: Industrial Man  
Model Number: OEM  
Place of Origin: Guangdong, China  
Material: ABS, Rubber, Plastic, Nylon  
Micro Machining or Not: Micro Machining  
Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)  
We provide 3D Printing Rapid Prototyping Services, Industrial Resin 3D Printer, and Metal 3D Printing Service to meet your needs.

### Support and Services:

Metal 3D Printing Service offers technical support and services for our customers. Our technical support team provides 24/7 customer service and support for any issues, questions, or concerns that may arise during the printing process. We also offer on-site technical assistance and troubleshooting for any problems that may arise. We also provide training and tutorials to help our customers understand the process, so that they can take full advantage of the 3D printing technology.

### Packing and Shipping:

Metal 3D Printing Service Packaging and Shipping:  
Our Metal 3D Printing Service is securely packaged and shipped with care. The package will be wrapped in bubble wrap and placed in a box. The box will be sealed with packing tape and labeled with the recipient's address. All packages are shipped via a reliable courier service. We are committed to ensuring your product arrives on time and in perfect condition.

### FAQ:

#### Q: What is Industrial Man Metal 3D Printing Service?

A: Industrial Man Metal 3D Printing Service is a custom 3D printing solution for OEM parts that offers a fast and cost-effective way to produce high-quality metal parts.

#### Q: What materials are compatible with Industrial Man Metal 3D Printing Service?

A: Industrial Man Metal 3D Printing Service is compatible with a range of materials, including stainless steel, titanium, aluminum, copper, and other metal alloys.

#### Q: Where is Industrial Man Metal 3D Printing Service made?

A: Industrial Man Metal 3D Printing Service is produced in Guangdong, China.

**Q: What are the benefits of using Industrial Man Metal 3D Printing Service?**

A: Industrial Man Metal 3D Printing Service offers a fast and cost-effective solution for producing high-quality metal parts with precise dimensional accuracy and a wide range of design possibilities.

**Q: Does Industrial Man Metal 3D Printing Service require post-processing?**

A: Yes, post-processing is generally necessary for parts produced with Industrial Man Metal 3D Printing Service, such as deburring, sandblasting, and painting.
