

ABS Nylon Bioplastic 3D Printing Small Parts Service

Our Product Introduction

For more products please visit us on lathecnmachining.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Industrial Man
- Certification: ISO 9001:2015
- Model Number: OEM
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- Product Name: Rubber Model For Medical Parts Medical Mold Part
- Tolerance: 0.01-0.05mm
- Material: ABS,Rubber,Plastic,Nylon
- Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)
- Micro Machining Or Not: Micro Machining
- Highlight: **ABS bioplastic 3d printing,
bioplastic 3d printing Parts,
Bioplastic 3d printing small parts**

Product Description

Product Description:

Our Product

Our Plastic 3D Printing Service provides custom plastic prototype manufacturing and plastic product manufacturing. Our plastic 3D printing service allows for superior accuracy in precise shapes and sizes, as well as the ability to manufacture in a variety of materials from ABS to Rubber, Plastic, and even Nylon. Our micro machining technology allows us to create complex and intricate parts with high precision. We also offer high quality custom plastic model parts and molds for medical parts. Our products come in a variety of natural colors, and are completely customizable to meet our customers' needs. Our plastic 3D printing service provides superior quality, accuracy, and speed, giving our customers the perfect product for their needs.

Features:

Product Name: Plastic 3D Printing Service
Micro Machining or Not: Micro Machining
Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)
Tolerance: 0.01-0.05mm
MOQ: 1 Piece
Rapid Plastic Prototyping
Rapid Plastic Manufacturing
Plastic Product Manufacturing

Technical Parameters:

Technical Parameters	Details
MOQ	1 Piece
Tolerance	0.01-0.05mm
Place of Origin	Guangdong, China
Certification	ISO 9001:2015
Drawing Format	2D/(PDF/CAD)3D(IGES/STEP)
Material	ABS,Rubber,Plastic,Nylon
Product name	Rubber Model For Medical Parts Medical Mold Part
Color	Natural Color
Brand Name	Industrial Man
Model Number	Customized
Plastic Prototype Manufacturing	3D Printing Technology, Rapid Plastic Prototyping

Applications:

Industrial Man provides **Rapid Plastic Prototyping** and **Plastic 3D Printing Service** with the highest quality standards, earning ISO 9001:2015 certification. Our **Rapid Plastic Prototyping Service** uses the latest 3D printing technologies and materials, such as ABS, Rubber, Plastic and Nylon, to create the most accurate and cost-effective product. Our custom-made 3D printing solutions are capable of producing high-quality prototypes in a variety of sizes and shapes, using a range of 2D/(PDF/CAD)3D(IGES/STEP) drawing formats. We also offer a range of post-processing services, ensuring that the final product meets all customer requirements.

Customization:

Industrial Man provides 3D Printing Service with the brand name of Industrial Man, Model Number of OEM, Place of Origin of Guangdong, China, Tolerance of 0.01-0.05mm, Material of ABS, Rubber, Plastic, Nylon and Color of Natural Color. We specialize in 3D printing technology and 3D manufacturing processes to deliver customized 3D plastic parts with premium quality and accuracy.

Support and Services:

Plastic 3D Printing Service Technical Support:
Comprehensive customer support
Technical consultations
Fault diagnosis and troubleshooting
Software maintenance and upgrades
Hardware maintenance and repairs
Plastic 3D Printing Service Service:
Installation and configuration of 3D printers
3D printing job setup and optimization
3D printing job monitoring and troubleshooting
Data conversion and 3D printing file preparation
Material and process development

Packing and Shipping:

We provide professional plastic 3D printing service. Our packaging and shipping services include:
Securely wrapping and packaging prints for safe delivery.
Shipping with a trusted carrier to ensure timely delivery.
Providing tracking numbers for customers to monitor shipment progress.

FAQ:

Q: What is Industrial Man's Plastic 3D Printing Service?

A: Industrial Man's Plastic 3D Printing Service is a custom 3D printing service for plastic parts with a model number of OEM and made in Guangdong, China.

Q: What types of plastic materials are available for 3D printing?

A: Industrial Man offers a wide variety of plastic materials for 3D printing, such as ABS, PLA, HIPS, PETG, and more.

Q: What is the accuracy of Industrial Man's Plastic 3D Printing Service?

A: Industrial Man's Plastic 3D Printing Service can produce parts with a minimum accuracy of 0.1 mm.

Q: What is the minimum order quantity for Industrial Man's Plastic 3D Printing Service?

A: Industrial Man's Plastic 3D Printing Service can produce parts in any quantity, from a single piece to thousands of pieces.

Q: How long does it take to receive the parts from Industrial Man's Plastic 3D Printing Service?

A: The lead time of Industrial Man's Plastic 3D Printing Service depends on the complexity of the parts and the quantity required. Generally, it takes about 7-10 days.
