

## Customized Metal 3D Printed Titanium Parts For Engine

Our Product Introduction

For more products please visit us on [lathecnmachining.com](http://lathecnmachining.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Industrial Man
- Certification: ISO9001:2015
- Model Number: Customized
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

### Product Specification

- Material: ABS,Rubber,Plastic,Nylon
- Product Name: Metal 3D Printing Service
- OEM/ODM: OEM/ODM
- Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)
- Color: Natural Color
- Micro Machining Or Not: Micro Machining
- Highlight: Customized 3d printed titanium parts,  
Metal 3d printed titanium parts,  
Titanium 3d printed engine parts

### Product Description

**Product Description:**

Our Pr

Industrial Man offers a Metal 3D Printing Service. This service provides customers with 3D printing options made of metal, such as 3D printer metal filament, industrial resin 3D printer, and 3D printing titanium alloy. The metal 3D printing service can be used to create intricate designs in natural colors for industrial, commercial, or personal use. It is perfect for customizing products and creating unique designs. We also accept OEM and ODM orders for metal 3D printing services. Our metal 3D printing services are made from quality materials like ABS, rubber, plastic, and nylon. We offer a wide range of 3D printing services to meet different customers' needs and requirements. With our advanced 3D printing technology, you can create high-quality products that are both durable and stylish. Experience the power of Industrial Man's Metal 3D Printing Service and create your own unique designs today!

## Features:

Product Name: Metal 3D Printing Service  
Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)  
Material: ABS, Rubber, Plastic, Nylon  
OEM/ODM: OEM/ODM  
Brand Name: Industrial Man  
3d Printer Metal Filament  
3D Printing Post Processing Machines  
3D Printing Rapid Prototyping Services

## Technical Parameters:

Parameter	Value
OEM/ODM	OEM/ODM
Material	ABS,Rubber,Plastic,Nylon
Color	Natural Color
Product name	Metal 3D Printing Service
Place of Origin	Guangdong, China
Drawing Format	2D/(PDF/CAD)3D(IGES/STEP)
Model Number	Customized
Brand Name	Industrial Man
Micro Machining or Not	Micro Machining
Services	3D Printing Rapid Prototyping Services, 3D Prototype Printing Services, 3D Printing Plastic Parts

## Applications:

Industrial Man's Metal 3D Printing Service is a professional 3D printing service provider that offers a wide range of products and services. It is a perfect solution for those who need high-precision, customized 3D models, prototypes, and parts. With its advanced 3D printing technology, Industrial Man's Metal 3D Printing Service can meet your specific needs and requirements. It has a high accuracy and a fast turnaround time, allowing you to quickly create detailed 3D plastic parts, 3D prototypes, and 3D printer metal filaments. With Industrial Man's Metal 3D Printing Service, you can easily and quickly create the ideal 3D prototype for your product or project. Industrial Man's Metal 3D Printing Service is highly reliable and efficient, and provides excellent customer service. It offers a wide variety of options, including custom 3D printing, 3D prototyping, 3D printing plastic parts, and 3D printer metal filaments. Industrial Man's Metal 3D Printing Service features a wide range of materials, including stainless steel, aluminum, brass, and titanium. It also offers a variety of drawing formats, including 2D, PDF, CAD, and IGES/STEP.

## Customization:

Industrial Man Metal 3D Printing Service  
Product Details  
**Brand Name:** Industrial Man  
**Model Number:** OEM  
**Place of Origin:** Guangdong, China  
**OEM/ODM:** OEM/ODM  
**Material:** ABS, Rubber, Plastic, Nylon  
**Drawing Format:** 2D/(PDF/CAD)3D(IGES/STEP)  
**Product Name:** Metal 3D Printing Service  
Service Highlights  
3D Prototype Printing Services  
3D Printer Metal Filament  
High Quality 3D Prototype Printing Services

## Support and Services:

Metal 3D Printing Service Technical Support and Service  
We offer a comprehensive and reliable support and service package for our Metal 3D Printing Service. Our highly trained staff are available to answer any questions you may have and help you with any technical issues that may arise.  
Our support includes:  
24/7 technical support  
Regular system updates  
On-site visits and maintenance  
Troubleshooting and diagnostics  
Software and hardware installation  
Advice and guidance on best practices

We also provide a range of additional services, such as:

Custom design and prototyping

3D printing training

Project management

Post-processing and finishing

We are committed to providing the highest levels of service and support for our Metal 3D Printing Service. If you have any questions or need help with any aspect of the service, please don't hesitate to contact us.

### Packing and Shipping:

Metal 3D Printing Service Packaging and Shipping:

The Metal 3D Printing Service product will be bubble-wrapped and placed in a cardboard box for secure shipping. The box will then be labeled with the customer's address and shipped via a trusted delivery service.

### FAQ:

Q1. What is Industrial Man 3D Printing Service?

A1. Industrial Man 3D Printing Service is a 3D printing service provided by Industrial Man, with model number OEM and made in Guangdong, China.

Q2. What materials can Industrial Man 3D Printing Service print?

A2. Industrial Man 3D Printing Service is capable of printing a wide range of metals, such as stainless steel, aluminum, titanium, and so on.

Q3. What's the accuracy of Industrial Man 3D Printing Service?

A3. Industrial Man 3D Printing Service offers high accuracy and repeatability. It can achieve an accuracy of up to 0.1mm.

Q4. What is the lead time of Industrial Man 3D Printing Service?

A4. Industrial Man 3D Printing Service has a lead time of 3-7 days depending on the complexity of the design.

Q5. What's the maximum size of parts that Industrial Man 3D Printing Service can print?

A5. Industrial Man 3D Printing Service can print parts up to 500mm in size.
