

## Photosensitive Resin SLA SLS 3D Printing Service Custom Logo

Our Product Introduction

For more products please visit us on [lathecnmachining.com](http://lathecnmachining.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Shenzhen Industrial Man
- Certification: ISO9001:2015
- Model Number: OEM
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Supply Ability: 100000Pcs/ Month

### Product Specification

- Material: Photosensitive Resins
- Color: Photosensitive Resins, Engineering Plastics, Metals, Ceramics, Rubber
- MOQ: 1 Piece
- Micro Machining Or Not: Micro Machining
- Product Name: Custom Prototype Model 3D Printing
- Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)
- Logo: Accept Custom Logo
- Highlight: Custom SLA SLS 3D Printing,  
Resin SLA SLS 3D Printing,  
Photosensitive resin 3d printing service

### Product Description

Product Description:

Our Product

## SLA SLS 3D Printing

Shenzhen Industrial Man offers industrial grade SLA SLS 3D printing services and 3D printing post processing machines with an MOQ of 1 piece. Our 3D printing rapid prototyping services are suitable for a variety of materials such as photosensitive resins, engineering plastics, metals, ceramics and rubber. Our 3D printing machines are capable of micro machining for precision prototyping.

### Features:

Product Name: SLA SLS 3D Printing  
Tolerance: 0.01-0.05mm  
Micro Machining or Not: Micro Machining  
Product name: Custom Prototype Model 3D Printing  
Color: Photosensitive Resins, Engineering Plastics, Metals, Ceramics, Rubber  
Certification: ISO 9001:2015  
3D Printing Rapid Prototyping Services  
3D Printing Post Processing Machines  
3D Printing Titanium Alloy Material  
3D Printing Software

### Technical Parameters:

Property	Description
Drawing Format	2D/(PDF/CAD)3D(IGES/STEP)
Size	Customer's 3D Drawing
Color	Photosensitive Resins, Engineering Plastics, Metals, Ceramics, Rubber
Logo	Accept Custom Logo
Tolerance	0.01-0.05mm
MOQ	1 Piece
Micro Machining	Micro Machining
Material	Photosensitive Resins
Model Number	Custom Prototype Model
Brand Name	Shenzhen Industrial Man
Product	Industrial Plastic 3D Printer, Industrial SLA 3D Printer, 3D Printing Post Processing Machines

### Applications:

Shenzhen Industrial Man provides high quality custom 3D printing services. With our advanced industrial SLA 3D printer, you can get professional rapid prototyping solutions for your custom 3D printing needs. Our 3D printing service is certified with ISO 9001:2015 and provides micro-machining 3D printing solutions for your 2D / (PDF / CAD) 3D (IGES / STEP) drawing format. We take pride in our custom 3D printing services, and can provide customized logos to meet your needs. With our dedication to quality and our professional team, you can trust Shenzhen Industrial Man for all your custom 3D printing service needs.

### Customization:

Industrial Man Custom Prototype Model 3D Printing

Our Industrial Man Custom Prototype Model 3D Printing is designed with brand name Industrial Man and model number Custom Prototype Model. This 3D printing is made in Guangdong, China with photosensitive resins and titanium alloys.

Industrial Man SLA 3D Printer offers high precision and speed. It is capable of producing complex parts quickly and in a cost-effective way. You can provide us your 2D/(PDF/CAD)3D(IGES/STEP) drawing format for the size of your 3D drawing.

### Support and Services:

#### SLA SLS 3D Printing Technical Support and Service

We provide technical support and service to our customers for their SLA SLS 3D Printing needs. Our team of experts is knowledgeable and experienced in 3D printing technologies and can provide valuable assistance to our customers. Our technical support and service includes:

Installation and setup of 3D printers  
Troubleshooting of 3D printing problems  
Assistance in selecting the right 3D printer for the customer's needs  
Advice and guidance on best practices for 3D printing  
Training on 3D printing software and hardware

We also offer a variety of services to help our customers achieve their 3D printing goals. Our services include:

Design and fabrication of custom 3D printing parts  
Repair and maintenance of 3D printers  
Consulting services on 3D printing projects

3D printing services for prototyping or production

We strive to provide the best quality technical support and service for our customers. We are committed to helping our customers succeed in their 3D printing projects. If you have any questions or need assistance, please feel free to contact us.

### Packing and Shipping:

Packaging and Shipping for SLA SLS 3D Printing:

The 3D printed parts will be packed in a box or carton.  
The box or carton will be sealed with a security tape.  
The package will be shipped by a reliable and trackable delivery service.  
The package will be delivered in a timely manner.  
The delivery service will be responsible for any damage or loss of the package during transit.

### FAQ:

Q1: What is the brand name of this SLA SLS 3D Printing product?  
A1: The brand name of this SLA SLS 3D Printing product is Industrial Man.  
Q2: What is the model number of this SLA SLS 3D Printing product?  
A2: The model number of this SLA SLS 3D Printing product is OEM.  
Q3: Where is this SLA SLS 3D Printing product originated?  
A3: This SLA SLS 3D Printing product is originated from Guangdong, China.

Q4: What are the benefits of using this SLA SLS 3D Printing product?

A4: This SLA SLS 3D Printing product can provide accurate details, complex shapes, and excellent surface finishes.

Q5: What materials can be used with this SLA SLS 3D Printing product?

A5: This SLA SLS 3D Printing product can be used with a wide range of materials, such as plastics, resins, metal alloys, and ceramics.
