

Polyethylene Plastic 3D Printing Service Solutions White ODM

Our Product Introduction

For more products please visit us on lathecnmachinging.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Industrial Man
- Certification: ISO 9001:2015
- Model Number: Customized
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- Service: Plastic 3D Printing Service
- Color: Natural Color
- Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)
- Micro Machining Or Not: Micro Machining
- Highlight: **ODM Plastic 3D Printing Service, polyethylene Plastic 3D Printing Service, ODM polyethylene 3d printing**

Product Description

Product Description:

Our Pr

Our Plastic 3D Printing Service is the perfect solution for your Plastic Product Manufacturing needs. With our 3D Printing Solutions, you can create high-quality parts with tight tolerances ranging from 0.01-0.05mm. We specialize in creating custom Medical Mold Part from a variety of materials including ABS, Rubber, Plastic, and Nylon. With our low MOQ of 1 Piece, you can be sure to get the perfect parts for your needs.

Features:

Product Name: Plastic 3D Printing Service
 Tolerance: 0.01-0.05mm
 Certification: ISO 9001:2015
 Model Number: Customized
 Material: ABS, Rubber, Plastic, Nylon
 Service: Rapid Plastic Prototyping, 3D Printing Technology, 3D Printing Solutions

Technical Parameters:

| Parameter | Specification |
|----------------------------|--|
| Place of Origin | Guangdong, China |
| MOQ | 1 Piece |
| Product name | Rubber Model For Medical Parts Medical Mold Part |
| Certification | ISO 9001:2015 |
| Drawing Format | 2D/(PDF/CAD)3D(IGES/STEP) |
| Material | ABS,Rubber,Plastic,Nylon |
| Tolerance | 0.01-0.05mm |
| Brand Name | Industrial Man |
| Model Number | Customized |
| Micro Machining or Not | Micro Machining |
| 3D Manufacturing Processes | 3D Printing Technology |
| 3D Manufacturing Processes | 3D Printing Materials |

Applications:

Industrial Man 3D Printing Service
 Industrial Man's 3D Printing Service is the perfect solution for rapid prototyping and production of customized plastic parts. Our 3D printing services are powered by advanced 3D manufacturing processes to create precision parts that meet your exact specifications. Our 3D printing solutions are perfect for both small and large plastic parts, with a MOQ of just 1 Piece. Industrial Man's 3D Printing Service uses natural colors and materials to create parts that look just like the real thing. Our 3D printing technology produces parts that are highly accurate and highly durable, with a tolerance of 0.2mm. We accept a variety of drawing formats, including 2D, PDF, CAD, IGES, and STEP. Our 3D printing solutions provide a cost-effective alternative to traditional prototyping and production processes. Industrial Man's 3D Printing Service is the perfect choice for customers who want to save time and money while getting the highest quality plastic parts. So, if you are looking for a reliable 3D printing service with a fast turnaround time, Industrial Man is the right choice for you.

Customization:

Industrial Man Customized Plastic 3D Printing Service
 Brand Name: Industrial Man
 Model Number: Customized
 Place of Origin: Guangdong, China
 Micro Machining or Not: Micro Machining
 Certification: ISO 9001:2015
 Color: Natural Color
 Product name: Rubber Model For Medical Parts Medical Mold Part
 Industrial Man's Customized Plastic 3D Printing Service utilizes advanced 3D printing technologies to provide the highest quality, customized 3D printed plastic parts. Our 3D Manufacturing Processes are designed to provide you with the most efficient and cost-effective solutions for your specific needs. We utilize industry-leading processes to produce precise, durable, and repeatable results. With our advanced plastic 3D printing service, you can create highly intricate, custom plastic parts in a fraction of the time required by traditional manufacturing.

Support and Services:

Plastic 3D Printing Service provides a range of technical support and services to help you get the most from our products. Our team of experienced professionals can provide you with:

- Assistance with product selection and design
- Online and telephone support
- Training courses and workshops
- On-site technical support
- Troubleshooting and problem solving
- Upgrades and maintenance

Packing and Shipping:

We provide packaging and shipping services for our Plastic 3D Printing Service. All orders are securely and professionally packaged to ensure safe delivery. We offer customers a variety of shipping options with tracking and insurance.

We offer a standard ground shipping service, as well as expedited shipping options. We also offer international shipping, so customers around the world can take advantage of our services.

We take great care in packaging each order with the utmost care and attention to detail. We use the highest quality materials to ensure that every order is delivered safely and securely.

If you have any questions about our packaging and shipping services, please feel free to contact us.

FAQ:

Q&A for Industrial Man OEM Plastic 3D Printing Service

Q1: What kind of materials can be used for Industrial Man OEM Plastic 3D Printing Service?

A1: Industrial Man OEM Plastic 3D Printing Service can use a variety of materials including ABS, PLA, Nylon, and more.

Q2: Is Industrial Man OEM Plastic 3D Printing Service available in different colors?

A2: Yes, Industrial Man OEM Plastic 3D Printing Service can be made in different colors according to customer's requirements.

Q3: How long does Industrial Man OEM Plastic 3D Printing Service take to complete?

A3: It depends on the complexity of the design and the size of the model. Generally speaking, it will take around 5-7 days to complete.

Q4: Where is Industrial Man OEM Plastic 3D Printing Service made?

A4: Industrial Man OEM Plastic 3D Printing Service is made in Guangdong, China.

Q5: Is Industrial Man OEM Plastic 3D Printing Service available in different sizes?

A5: Yes, Industrial Man OEM Plastic 3D Printing Service can be made in different sizes according to customer's requirements.
