

Micro CNC Machining CNC Plastic Machining Services

Our Product Introduction

For more products please visit us on lathecnmachining.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Industrial Man
- Certification: ISO 9001:2015
- Model Number: Customized
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)
- Product Name: Rubber Model For Medical Parts Medical Mold Part
- MOQ: 1 Piece
- Tolerance: 0.01-0.05mm
- Highlight: **CNC 3d printing recycled plastic,
3d printing recycled plastic Machining,
CNC plastic printing services**

Product Description

Product Description:

Our Product

Industrial Man provides professional Plastic 3D Printing Service, which is based on advanced 3D printing technology and rapid plastic prototyping. Our plastic prototype manufacturing offers very precise and accurate results with the support of CAD/PDF/IGES/STEP drawing formats. We specialize in using ABS, rubber, plastic and nylon materials for our 3D printing services and can provide customized solutions according to your needs. With our professional services, you can achieve the desired shape and size, with no minimum order quantity (MOQ). We assure you that you will get high-quality products and services, with reliable and cost-effective solutions. Trust Industrial Man for all your plastic 3D printing needs and enjoy rapid prototyping at its best!

Features:

Product Name: Plastic 3D Printing Service
Model Number: Customized
Certification: ISO 9001:2015
Color: Natural Color
Micro Machining or Not: Micro Machining
Brand Name: Industrial Man
Plastic Prototype Manufacturing
3D Printing Technology

Technical Parameters:

| Parameter | Value |
|------------------------|--|
| Certification | ISO 9001:2015 |
| Material | ABS,Rubber,Plastic,Nylon |
| MOQ | 1 Piece |
| Micro Machining or Not | Micro Machining |
| Drawing Format | 2D/(PDF/CAD)3D(IGES/STEP) |
| Color | Natural Color |
| Product name | Rubber Model For Medical Parts Medical Mold Part |
| Brand Name | Industrial Man |
| Model Number | Customized |
| Place of Origin | Guangdong, China |

Applications:

Industrial Man's Plastic 3D Printing Service offers customized solutions for a wide range of applications. With a tolerance of 0.01-0.05mm and the ability to print with ABS, Rubber, Plastic, and Nylon, it's an ideal choice for creating Rubber Model For Medical Parts Medical Mold Part and other complex designs. Our 3D Printing Technology allows us to create highly accurate and reliable parts, quickly and cost-effectively. Whether you need a single part or a large production run, Industrial Man's Plastic 3D Printing Service has the materials, technology, and expertise to deliver. Contact us today to experience the benefits of 3D printing for yourself.

Customization:

Plastic 3D Printing Service
Brand Name: Industrial Man
Model Number: OEM
Place of Origin: Guangdong, China
Certification: ISO 9001:2015
Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)
Color: Natural Color
Service: Rapid Plastic Prototyping, Plastic Prototype Manufacturing, 3D Printing Solutions

Support and Services:

Plastic 3D Printing Service - Technical Support and Service
We provide a variety of technical support and services for our Plastic 3D Printing Service. Our experts can help users with the following:
Consultation and advice on 3D printing materials and processes
Assistance with design and file preparation
Troubleshooting and technical support
On-site and remote technical training
On-site 3D printing repairs and maintenance
Our team is available 24/7 to answer any questions you may have and provide the best assistance and advice for your 3D printing projects.

Packing and Shipping:

Our Plastic 3D Printing Service offers safe and secure packaging and shipping. All items are carefully packaged in plastic, bubble wrap, and cardboard boxes to ensure safe and secure delivery. We provide tracking numbers for all orders and ship orders via UPS, FedEx, DHL, or USPS.
We offer several shipping options, including express delivery, ground delivery, and international service. Customers can choose the best option to fit their needs. We also offer rush delivery for urgent orders.
Our team is dedicated to providing the best quality service and ensuring that all orders arrive safely and on time.

FAQ:

Q&A

Q: What is Industrial Man's Plastic 3D Printing Service?

A: Industrial Man's Plastic 3D Printing Service is a product that specializes in the production of custom 3D printed parts with industrial grade materials. It has a model number of OEM and is made in Guangdong, China.

Q: What materials are available for Plastic 3D Printing Service?

A: Industrial Man's Plastic 3D Printing Service is able to produce parts using a variety of industrial grade materials, such as ABS, PLA, PETG, and Nylon.

Q: What is the lead time for Plastic 3D Printing Service?

A: The lead time for Plastic 3D Printing Service depends on the complexity of the parts and the quantity. Generally, we can finish the production within 2-3 weeks.

Q: What is the tolerance for Plastic 3D Printing Service?

A: The tolerance for Plastic 3D Printing Service is $\pm 0.2\text{mm}$.

Q: What is the minimum order quantity for Plastic 3D Printing Service?

A: The minimum order quantity for Plastic 3D Printing Service is 10 pieces.
