

Rapid Prototyping SLA SLS 3D Printing Ceramics Services

Our Product Introduction

For more products please visit us on lathecnrmachining.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Shenzhen Industrial Man
- Certification: ISO9001:2015
- Model Number: Custom Prototype Model
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- Size: Customer's 3D Drawing
- Color: Photosensitive Resins, Engineering Plastics, Metals, Ceramics, Rubber
- Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)
- MOQ: 1 Piece
- Material: Photosensitive Resins
- Micro Machining Or Not: Micro Machining
- Highlight: **Rapid Prototyping SLA SLS 3D Printing, SLA SLS 3D Printing Services, SLA 3d printing ceramics**

Product Description

Product Description:

Our Product

Shenzhen Industrial Man offers a Custom Prototype Model for 3D printing. This model is highly versatile and can be used for a variety of 3D printing purposes. It is designed with 2D/PDF/CAD and 3D Iges/Step drawing formats which provides a wide range of customization options. It is also capable of 3D printing titanium alloy, 3D lenticular printing service and industrial plastic 3D printing service. The size of the Custom Prototype Model can be adjusted to meet customer's 3D drawing requirements and the MOQ is 1 piece. Our 3D printing service has made it possible to create highly precise and accurate 3D models with minimal effort and time. We are confident that our 3D printing service can meet the needs of the most demanding customers.

Features:

Product Name: SLA SLS 3D Printing
MOQ: 1 Piece
Model Number: Custom Prototype Model
Logo: Accept Custom Logo
Brand Name: Shenzhen Industrial Man
Tolerance: 0.01-0.05mm
3D Printing Post Processing Machines
3D Printing Titanium Alloy
Industrial Plastic 3D Printer

Technical Parameters:

| Property | Specification |
|-----------------|---|
| Tolerance | 0.01-0.05mm |
| Logo | Accept Custom Logo |
| Color | Photosensitive Resins, Engineering Plastics, Metals, Ceramics, Rubber |
| Drawing Format | 2D/(PDF/CAD)3D(IGES/STEP) |
| Size | Customer's 3D Drawing |
| Model Number | Custom Prototype Model |
| Brand Name | Shenzhen Industrial Man |
| Product Name | Custom Prototype Model 3D Printing |
| Micro Machining | Micro Machining |
| Certification | ISO 9001:2015 |
| Services | Custom 3D Printing Services |
| Material | 3D Printing Titanium Alloy |
| Post Processing | 3D Printing Post Processing Machines |

Applications:

Industrial Man's Custom Prototype Model 3D Printing is a high-quality industrial plastic 3D printer that supports customer's 3D drawing and custom logo. It is a perfect fit for rapid prototyping services. With its ISO 9001:2015 certification, it provides the highest quality 3D printing services for various industrial applications. The Custom Prototype Model 3D Printing is equipped with advanced 3D printing technology that is capable of producing accurate and detailed 3D parts. It is also highly reliable and durable, making it a great choice for industrial use. Furthermore, this 3D printer is extremely easy to use and maintain, making it an ideal choice for those with limited experience in 3D printing. With its quality and versatility, Industrial Man's Custom Prototype Model 3D Printing is a great choice for anyone looking for high-quality industrial plastic 3D printing.

Customization:

Industrial Man OEM Custom Prototype Model 3D Printing

Brand Name: Industrial Man
Model Number: OEM
Place of Origin: Guangdong, China
MOQ: 1 Piece
Micro Machining or Not: Micro Machining
Size: Customer's 3D Drawing
Logo: Accept Custom Logo
Product name: Custom Prototype Model 3D Printing
3D Lenticular Printing Service
3D Printing Post Processing Machines
Industrial Plastic 3D Printer

Support and Services:

SLA SLS 3D Printing Technical Support and Service

We offer technical support and service for SLA SLS 3D Printing. Our team of technicians and engineers are available to provide assistance with installation, troubleshooting, and maintenance.

We offer a range of services to ensure your 3D printing projects are successful. Our services include:

Onsite Installation and Training
Remote Troubleshooting and Support
Maintenance Plans
Software Upgrades

For further information about our technical support and service for SLA SLS 3D Printing, please contact us at info@example.com.

Packing and Shipping:

Packaging and Shipping for SLA/SLS 3D Printing

SLA/SLS 3D Printing products are packaged and shipped using the following methods:

Boxes or envelopes, depending on the size and weight of the product.

Bubble wrap or other protective materials to protect the product.

Delivery confirmation and tracking.

Insurance on the package for any damages caused during shipping.

We use trusted carriers such as USPS, UPS, FedEx, and DHL to ensure your product arrives safely and on time.

FAQ:

Q: What is the brand of SLA SLS 3D Printing?

A: The brand of SLA SLS 3D Printing is Industrial Man.

Q: What is the model number of SLA SLS 3D Printing?

A: The model number of SLA SLS 3D Printing is OEM.

Q: Where is SLA SLS 3D Printing made?

A: SLA SLS 3D Printing is made in Guangdong, China.

Q: What materials can SLA SLS 3D Printing work with?

A: SLA SLS 3D Printing can work with a variety of materials including plastic, metal, ceramic and more.

Q: What are the advantages of using SLA SLS 3D Printing?

A: SLA SLS 3D Printing provides greater accuracy than traditional manufacturing methods, and can be used to create complex shapes and intricate details.
