

ODM ABS nylon Plastic 3D Printing Service Shoe Sole

Our Product Introduction

For more products please visit us on lathecnmachining.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Industrial Man
- Certification: ISO9001:2015
- Model Number: OEM
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- Material: ABS,Rubber,Plastic,Nylon
- MOQ: 1 Piece
- Color: Natural Color
- Product Name: Rubber Model For Medical Parts Medical Mold Part
- Tolerance: 0.01-0.05mm
- Service: Plastic 3D Printing Service
- Micro Machining Or Not: Micro Machining
- Highlight: **ABS Nylon Plastic 3D Printing Service ,
Plastic 3D Printing Service Shoe Sole ,
ODM 3d print shoe sole**

Product Description

Product Description:

Our Product

Industrial Man is a renowned brand offering a wide range of plastic product manufacturing services, including advanced 3D printing technology. Our Plastic 3D Printing Service is designed to satisfy customer needs with excellent quality and precision. We offer our customers a wide range of plastic materials for 3D printing, such as ABS, rubber, plastic, and nylon, and accept various drawing formats, including 2D/PDF/CAD and 3D/IGES/STEP. Our 3D printing technology can also guarantee the accuracy of the printed products with tolerances of 0.01 to 0.05 mm.

To achieve the highest possible quality and accuracy of our 3D printing services, Industrial Man is equipped with state-of-the-art 3D printing machines and a professional team of experienced engineers. We can guarantee that our Plastic 3D Printing Service will meet all your needs and expectations.

Features:

Product Name: Plastic 3D Printing Service

Micro Machining or Not: Micro Machining

Material: ABS, Rubber, Plastic, Nylon

Service: Plastic 3D Printing Service

Place of Origin: Guangdong, China

Brand Name: Industrial Man

Business: Plastic Product Manufacturing, 3D Printing Technology, Plastic Prototype Manufacturing

Technical Parameters:

Parameters	Details
Color	Natural Color
Model Number	Customized
Drawing Format	2D/(PDF/CAD)3D(IGES/STEP)
Tolerance	0.01-0.05mm
Certification	ISO 9001:2015
Service	Plastic 3D Printing Service
MOQ	1 Piece
Brand Name	Industrial Man
Material	ABS, Rubber, Plastic, Nylon
Product Name	Rubber Model For Medical Parts Medical Mold Part

Applications:

Industrial Man proudly offers its plastic 3D printing service with the brand name of OEM, a perfect choice for rapid plastic prototyping and customized design.

The printing service is ISO 9001:2015 certified and based in Guangdong, China. Our 3D printing technology allows us to manufacture high-quality plastic products with a tolerance range of 0.01-0.05mm. We provide a wide range of materials such as ABS, rubber, plastic, and nylon to meet your needs.

Micro machining is available as an option for your plastic product manufacturing needs. Our team is ready to assist you with your project from the design stage all the way to the delivery.

Customization:

Industrial Man is offering a custom Plastic 3D Printing Service with the following features:

Brand Name: Industrial Man

Model Number: OEM

Place of Origin: Guangdong, China

MOQ: 1 Piece

Service: Plastic 3D Printing Service

Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)

Certification: ISO 9001:2015

Micro Machining or Not: Micro Machining

Rapid Plastic Prototyping

Plastic Prototype Manufacturing

3D Printing Technology

Support and Services:

Plastic 3D Printing Service Technical Support and Service

We provide a comprehensive range of services and technical support for our Plastic 3D Printing Service, to ensure the highest quality products and services for our customers.

We provide assistance with the design and production of 3D printing projects.

We offer technical advice and support on 3D printing processes and materials.

We offer troubleshooting and repair services for 3D printing hardware.

We provide technical support for 3D printing software, including CAD software.

We provide advice on optimizing 3D printing processes to increase efficiency and reduce costs.

We offer consultation and assistance with prototyping and product development.

Packing and Shipping:

Packaging and Shipping

Plastic 3D Printing Service packages all orders in custom-made cardboard boxes to ensure that the product is kept safe during transit. All orders are shipped via a reliable third-party shipping service, with delivery times varying depending on destination. Tracking numbers will be provided for all orders.

FAQ:

Q: What is Industrial Man's Plastic 3D Printing Service?

A: Industrial Man's Plastic 3D Printing Service is a custom 3D printing service, providing 3D parts in ABS, PLA, Nylon and more. Our 3D printing service is ideal for prototyping, low-volume production, and bridge tooling.

Q: What is the model number of Industrial Man's Plastic 3D Printing Service?

A: Industrial Man's Plastic 3D Printing Service model number is OEM.

Q: Where does Industrial Man's Plastic 3D Printing Service come from?

A: Industrial Man's Plastic 3D Printing Service comes from Guangdong, China.

Q: What materials can Industrial Man's Plastic 3D Printing Service produce?

A: Industrial Man's Plastic 3D Printing Service can produce 3D parts in ABS, PLA, Nylon and more.

Q: What is the application of Industrial Man's Plastic 3D Printing Service?

A: Industrial Man's Plastic 3D Printing Service is ideal for prototyping, low-volume production, and bridge tooling.
