

IGES STEP Plastic 3D Printing Service Prototypes Custom

Our Product Introduction

For more products please visit us on lathecnrmachining.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Industrial Man
- Certification: ISO9001:2015
- Model Number: Customized
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- MOQ: 1 Piece
- Color: Natural Color
- Material: ABS,Rubber,Plastic,Nylon
- Drawing Format: 2D/(PDF/CAD)3D(IGES/STEP)
- Service: Plastic 3D Printing Service
- Micro Machining Or Not: Micro Machining
- Highlight: **IGES STEP Plastic 3D Printing Service, Prototypes Plastic 3D Printing Service, IGES 3d printed prototypes**

Product Description

Product Description:

Our Product

Our Plastic 3D Printing Service offers rapid plastic prototyping and plastic product manufacturing at an unbeatable price. We specialize in customized model numbers and provide high-quality rubber models for medical parts and medical mold parts. Our plastic products come in natural color and offer precision tolerance from 0.01mm to 0.05mm. With our Plastic 3D Printing Service, you will get the most reliable and affordable plastic prototyping and product manufacturing solutions.

Features:

Product Name: Plastic 3D Printing Service
Model Number: Customized
Place of Origin: Guangdong, China
Brand Name: Industrial Man
Micro Machining or Not: Micro Machining
Product Name: Rubber Model For Medical Parts Medical Mold Part
Keywords: Plastic Prototype Manufacturing, Plastic 3D Printing Service, Plastic 3D Printing Service

Technical Parameters:

Parameter	Details
Certification	ISO 9001:2015
Drawing Format	2D/(PDF/CAD)3D(IGES/STEP)
Service	Plastic 3D Printing Service
Micro Machining or Not	Micro Machining
Model Number	Customized
Color	Natural Color
MOQ	1 Piece
Product name	Rubber Model For Medical Parts Medical Mold Part
Tolerance	0.01-0.05mm
Place of Origin	Guangdong, China
3D Printing Technology	Rapid Plastic Prototyping

Applications:

Industrial Man's 3D printing service provides rapid plastic prototyping solutions with state-of-the-art 3D printing technology. Our 3D printing services are designed to meet the needs of industrial customers who require prototype parts with high accuracy and detail. Our 3D printing service is capable of producing parts with a minimum order quantity of just one piece. We accept a variety of drawing formats, including 2D/PDF/CAD files and 3D IGES/STEP files. We offer a range of micro machining services for our customers, allowing them to quickly produce high-quality, precise parts that meet their exact needs. Industrial Man's 3D printing services are suitable for applications from rapid prototyping to precision engineering, as well as for a wide range of materials, making them ideal for industrial applications. With our 3D printing service, you will be able to create accurate and detailed plastic parts quickly and easily.

Customization:

Industrial Man Plastic 3D Printing Service
Brand Name: Industrial Man
Model Number: OEM
Place of Origin: Guangdong, China
Product name: Rubber Model For Medical Parts Medical Mold Part
Micro Machining or Not: Micro Machining
Color: Natural Color
Certification: ISO 9001:2015
Service: **Plastic 3D Printing Service**, Rapid Plastic Prototyping, 3D Printing Technology

Support and Services:

Plastic 3D Printing Service provides technical support and service for customers. Our technical support team is available 24/7 to answer your questions, provide troubleshooting instructions, and help you get the most out of your 3D printing experience. We can provide comprehensive support via phone, email, or live chat. We also offer online tutorials and a library of resources to help you get up to speed quickly and easily.

In addition to technical support, we offer a range of services to help you get the most out of your 3D printing experience. We can provide design assistance, printing advice, and post-printing support. We also offer a wide range of 3D printing materials, from PLA and ABS to specialty materials like carbon fiber, wood, and metal. We'll even help you source the right materials for your project.

For more information about our Plastic 3D Printing Service, please visit our website or contact us directly.

Packing and Shipping:

Plastic 3D Printing Service Packaging and Shipping:
All products are securely packaged in custom boxes.
All products are shipped with a tracking number.
Delivery times vary depending on the destination.
We offer express, next day, and standard shipping options.
We use reliable shipping companies to ensure safe delivery.

FAQ:

Q1: What is Industrial Man's Plastic 3D Printing Service?

A1: Industrial Man's Plastic 3D Printing Service is a professional services by Industrial Man, with model number OEM and place of origin in Guangdong, China, which offers 3D printing services for plastic materials. **Q2: What materials can be used in Industrial Man's Plastic 3D Printing Service?**

A2: Industrial Man's Plastic 3D Printing Service mainly focuses on plastic materials, such as ABS, PLA, Nylon and PCTG. **Q3: What is the applications of Industrial Man's Plastic 3D Printing Service?**

A3: Industrial Man's Plastic 3D Printing Service can be used in many applications, such as consumer products, automotive parts, medical devices, and industrial components. **Q4: What is the precision of Industrial Man's Plastic 3D Printing Service?**

A4: Industrial Man's Plastic 3D Printing Service can achieve a precision of 0.1 mm or better. **Q5: What is the turn-around time of Industrial Man's Plastic 3D Printing Service?**

A5: Industrial Man's Plastic 3D Printing Service can deliver parts in as fast as 5 business days.
