

Sandblasting Sheet Metal Welding Parts CNC Machining ODM

Our Product Introduction

For more products please visit us on lathecnrmachining.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Industrial Man
- Model Number: OEM
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- Surface Treatment: Polishing, Painting, Sandblasting, Chrome Plating
- Tolerance: 0.01-0.05mm
- OEM: Customized OEM Stamping
- Service: Customize ODM OEM
- Color: Customized Color
- Name: Sheet Metal Welding Parts
- Highlight: **Sandblasting Sheet Metal Welding Parts,
ODM Sheet Metal Welding Parts,
ODM cnc parts machining**

Product Description

Product Description:

Our Product

We offer custom-made ODM and OEM sheet metal welding parts for all your welding needs. Our sheet metal welding parts are made from high-grade materials and are guaranteed to be of the highest quality. Our experienced technicians provide precise welding with exceptional craftsmanship. Our services include customized OEM stamping, polishing, painting, sandblasting, and chrome plating to suit your specific requirements.

Welded sheet metal parts provide stability and strength for various applications. We specialize in the production of welded sheet metal parts that are designed to meet your exact specifications. Our advanced welding technology ensures that the welded sheet metal parts have an excellent performance and a long service life. The welded sheet metal parts provide a seamless connection between materials and are resistant to corrosion, rust, and other environmental factors.

Our sheet metal welding parts are manufactured with the utmost precision and quality. We ensure that the welding is done with the highest level of accuracy and that the parts are made to last. We also provide a variety of surface treatments, such as polishing, painting, sandblasting, and chrome plating, to ensure that your sheet metal welding parts look and function as desired.

We are committed to providing our customers with the highest quality sheet metal welding parts. We use the latest technology and materials to ensure that our welding is done with the utmost care and precision. Our experienced team of technicians are dedicated to providing you with the best possible service and quality products.

Features:

Product Name: **Sheet Metal Welding Parts**

Tolerance: 0.01-0.05mm

Main Market: USA, Europe, Canada, Australia, Italy, France, Spain

Drawing format: 3D/CAD/DWG//STEP/PDF

Place of Origin: Guangdong, China

Model Number: OEM

Sheet Metal Products

Sheet Metal Welded Parts

Technical Parameters:

Parameters	Details
Brand Name	Industrial Man
Surface treatment	Polishing, Painting, Sandblasting, Chrome Plating
Size	Customized Size
Color	Customized Color
Place of Origin	Guangdong, China
Service	Customize ODM OEM
Tolerance	0.01-0.05mm
Name	Sheet Metal Welding Parts
OEM	Customized OEM Stamping
Main Market	USA, Europe, Canada, Australia, Italy, France, Spain
Keyword	Sheet Metal Parts, Sheet Metal Parts, Metal Welded Parts

Applications:

Sheet Metal Welding Parts from Industrial Man, based in Guangdong, China, are highly customizable OEM Metal Welded Parts that can be tailored to fit any size and tolerance requirements. Industrial Man specializes in sheet metal parts and can provide 3D/CAD/DWG//STEP/PDF drawings for each part for customers to review and approve. Industrial Man's Sheet Metal Welding Parts are designed and manufactured to the highest standards and guarantee a perfect fit for any application. With their custom-made OEM Metal Welded Parts, customers can easily find the perfect parts for their needs. With Industrial Man, you can be sure that you are getting the best metal parts available.

Customization:

Sheet Metal Welding Parts

Industrial Man offers custom **Sheet Metal Welding Parts** with OEM service.

Brand Name: Industrial Man

Model Number: OEM

Place of Origin: Guangdong, China

Drawing format: 3D/CAD/DWG//STEP/PDF

Name: Sheet Metal Welding Parts

Main Market: USA, Europe, Canada, Australia, Italy, France, Spain

OEM: Customized OEM Stamping

Our **Sheet Metal Welded Parts** are widely exported to USA, Europe, Canada, Australia, Italy, France, Spain. We can provide

Customized OEM Stamping service for your **Sheet Metal Parts**.

Support and Services:

Sheet Metal Welding Parts Technical Support and Service

We provide a wide range of technical support and services for our Sheet Metal Welding Parts products. Our highly experienced team of engineers and technicians are committed to providing you with the best possible service.

Design and Engineering Support

Our design and engineering team is available to provide technical advice on product design and development. We can help you to create custom solutions for your specific needs.

Testing and Quality Assurance

We use the latest testing and quality assurance methods to ensure that our Sheet Metal Welding Parts meet the highest standards of

quality and performance. Our experienced technicians are available to provide advice on the best testing methods for your application.
Installation and Maintenance

Our team of experienced technicians can provide assistance with the installation and maintenance of your Sheet Metal Welding Parts. We provide comprehensive training on the use and maintenance of our products.

Packing and Shipping:

Packaging and Shipping for Sheet Metal Welding Parts:

The parts will be packaged in cardboard boxes.

The parts will be shipped via air freight.

The parts will be securely sealed in the packages.

The package will be labeled with the customer's name, address, and order number.

The parts will be shipped within 3-5 business days.

FAQ:

Q1:What is the brand name of the sheet metal welding parts?

A1:The brand name of the sheet metal welding parts is Industrial Man.

Q2:What is the model number of the sheet metal welding parts?

A2:The model number of the sheet metal welding parts is OEM.

Q3:Where are the sheet metal welding parts manufactured?

A3:The sheet metal welding parts are manufactured in Guangdong, China.

Q4:What materials are used for the sheet metal welding parts?

A4:The materials used for the sheet metal welding parts depend on the customer's requirements.

Q5:What is the lead time of the sheet metal welding parts?

A5:The lead time of the sheet metal welding parts is usually about 5-7 days.
