

## CNC Copper Sheet Metal Bending Parts Services With ISO9001 2015 Certification

Our Product Introduction

For more products please visit us on [lathecnmachining.com](http://lathecnmachining.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Shenzhen Industrial Man
- Model Number: Stamping Bending Forming Car Seat Machining
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

### Product Specification

- Tolerance: 0.01-0.05mm
- Product Name: Stamping Bending Forming Car Seat Machining
- OEM/ODM: OEM ODM CNC Milling Turning Machining Service
- Name: Sheet Metal Bending Parts
- Micro Machining Or Not: Micro Machining
- Material: Aluminum, Brass, Bronze, Copper, Stainless Steel
- Highlight: **CNC Sheet Metal Bending Parts,  
Copper Sheet Metal Bending Parts,  
Copper cnc bending services**

### Product Description

**Product Description:**

Our Product Introduction

## Shenzhen Industrial Man's Stamping Bending Forming Car Seat Machining

Shenzhen Industrial Man offers a wide range of bending sheet metal parts, aluminum sheet metal fabrication and aluminum sheet metal fabrication services. Our model number is Stamping Bending Forming Car Seat Machining, and we specialize in OEM ODM CNC Milling Turning Machining Service. Our products are made of aluminum, brass, bronze, copper and stainless steel. They are widely used for automotive, medical, industrial and electrical applications. We provide customized solutions for any application, and our team of experienced engineers and technicians are ready to assist you with your specific needs. Our products are also known for their high quality, durability and precision.

We are committed to providing our customers with superior quality bending sheet metal parts, aluminum sheet metal fabrication and aluminum sheet metal fabrication services. Our products are designed to meet the highest industry standards and are tested for quality assurance. With our advanced manufacturing techniques, we ensure that our products are produced to the highest standards and are designed to last for years to come. Our products are easy to install and maintain, and our experienced staff is always available to answer any questions you may have.

Shenzhen Industrial Man is dedicated to providing our customers with the best possible bending sheet metal parts, aluminum sheet metal fabrication and aluminum sheet metal fabrication services. We strive to make sure that our products are of the highest quality and are delivered on time. We are proud to be a trusted partner for our customers and look forward to helping you with your project.

### Features:

**Product Name:** Sheet Metal Bending Parts

**OEM/ODM:** OEM ODM CNC Milling Turning Machining Service

**Micro Machining or Not:** Micro Machining

**Name:** Sheet Metal Bending Parts

**Material:** Aluminum, Brass, Bronze, Copper, Stainless Steel

**Product Name:** Stamping Bending Forming Car Seat Machining

**Specialty:** Bending Sheet Metal Parts, Aluminum Sheet Metal Fabrication, CNC Sheet Metal Bender

### Technical Parameters:

Parameter	Description
Material	Aluminum, Brass, Bronze, Copper, Stainless Steel
OEM/ODM	OEM ODM CNC Milling Turning Machining Service
Brand Name	Shenzhen Industrial Man
Product Name	Stamping Bending Forming Car Seat Machining
Model Number	Stamping Bending Forming Car Seat Machining
Micro Machining or Not	Micro Machining
Certification	ISO9001: 2015
Name	Sheet Metal Bending Parts
Tolerance	0.01-0.05mm
Keywords	Bending Sheet Metal Parts, CNC Sheet Metal Bender, Bending Sheet Metal Parts Service

### Applications:

Industrial Man's Sheet Metal Bending Parts are made of Aluminum, Brass, Bronze, Copper and Stainless Steel materials, and are manufactured with the highest standards of quality and precision with ISO9001: 2015 certification. Our Sheet Metal Bending Parts are perfect for applications in Aluminum Sheet Metal Fabrication, Bending Sheet Metal Parts and CNC Sheet Metal Bending Machine. With our state-of-the-art technology and experienced team of experts, we can provide a variety of Sheet Metal Bending Parts that are designed to meet all of your needs. Our Sheet Metal Bending Parts are available in a wide range of sizes and shapes to meet your exact requirements. We also offer custom services for Sheet Metal Bending Parts, so you can get the perfect solution for your particular application. Our Sheet Metal Bending Parts are designed to last and provide superior performance for industrial and commercial applications. We are dedicated to providing the highest quality Sheet Metal Bending Parts and customer service, and we look forward to helping you find the best solution for your needs.

### Customization:

Custom Sheet Metal Bending Parts

**Brand Name:** Industrial Man

**Model Number:** Stamping Bending Forming Car Seat Machining

**Place of Origin:** Guangdong, China

**Tolerance:** 0.01-0.05mm

**Product Name:** Stamping Bending Forming Car Seat Machining

**Material:** Aluminum, Brass, Bronze, Copper, Stainless Steel

**OEM/ODM:** OEM ODM CNC Milling Turning Machining Service

**Our Services:** Custom Sheet Metal Fabrication, Bending Sheet Metal Parts, CNC Sheet Metal Bending Machine

### Support and Services:

Technical Support and Service for Sheet Metal Bending Parts

At XYZ, we strive to provide our customers with the highest quality products and services. We understand that Sheet Metal Bending Parts require precise engineering and manufacturing expertise to ensure a successful end product. That's why we offer comprehensive technical support and service for all of our Sheet Metal Bending Parts.

Our team of experienced engineers is available to help with any design, engineering, or production questions you may have. We can provide guidance on the best materials to use in your application, as well as advise on the best production methods for your parts. We also offer on-site engineering support and training so you can be sure you are getting the most out of our products.

We understand that your project needs can change over time, that's why we are proud to offer flexible contracts and services that can be tailored to your specific needs. From prototyping and design to production and assembly, our team can assist with any stage of the process.

If you are looking for technical support and service for your Sheet Metal Bending Parts, look no further than XYZ. Our experienced team is here to help you get the most out of your application.

## Packing and Shipping:

Packaging and Shipping for Sheet Metal Bending Parts:

We package the sheet metal bending parts in pre-labeled, durable boxes that are specifically designed to protect the parts during shipment. Our boxes are bubble wrapped and placed in a corrugated box to ensure maximum protection from the elements. We use a wide range of shipping services, including UPS, DHL, FedEx, and USPS, to deliver the parts to their destination.

## FAQ:

**Q: What is the brand name of the sheet metal bending parts?**

**A: The brand name of the sheet metal bending parts is Industrial Man.**

**Q: What is the model number of the sheet metal bending parts?**

**A: The model number of the sheet metal bending parts is OEM.**

**Q: Where are the sheet metal bending parts produced?**

**A: The sheet metal bending parts are produced in Guangdong, China.**

**Q: Are the sheet metal bending parts durable?**

**A: Yes, the sheet metal bending parts are made of high quality materials and are very durable.**

**Q: What is the lead time for the sheet metal bending parts?**

**A: The lead time for the sheet metal bending parts depends on the quantity and complexity of the order.**
