

Precision Bending Titanium Sheet Metal Bending Services

Our Product Introduction

For more products please visit us on lathecnrmachining.com

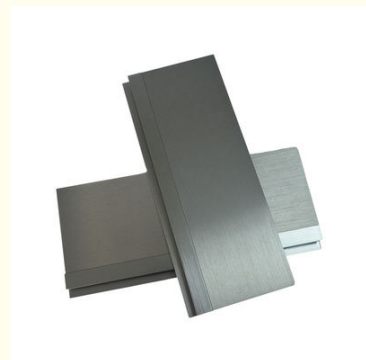

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Shenzhen Industrial Man
- Certification: ISO9001: 2015
- Model Number: Stamping Bending Forming Car Seat Machining
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- Name: Sheet Metal Bending Parts
- Tolerance: 0.01-0.05mm
- Micro Machining Or Not: Micro Machining
- Product Name: Stamping Bending Forming Car Seat Machining
- OEM/ODM: OEM ODM CNC Milling Turning Machining Service
- Highlight: **bending titanium sheet Metal, Precision bending titanium sheet, Titanium sheet metal bending services**

Product Description

Product Description:

Our Product

Sheet Metal Bending Parts is a kind of custom sheet metal fabrication service which is used to provide aluminum sheet metal fabrication, custom sheet metal fabrication and other services. It is available in various tolerance ranges from 0.01-0.05mm, and materials such as aluminum, brass, bronze, copper and stainless steel can be chosen. This product has been certified with ISO9001: 2015 and is perfect for stamping, bending, forming and car seat machining. It also provides OEM/ODM CNC milling turning machining service. With its excellent craftsmanship and professional services, Sheet Metal Bending Parts is an ideal choice for customers who need the perfect custom sheet metal fabrication services.

Features:

Product Name: Sheet Metal Bending Parts
Micro Machining or Not: Micro Machining
Name: Sheet Metal Bending Parts
Tolerance: 0.01-0.05mm
Model Number: Stamping Bending Forming Car Seat Machining
Material: Aluminum, Brass, Bronze, Copper, Stainless Steel
CNC Sheet Metal Bender
Aluminum Sheet Metal Fabrication
Custom Sheet Metal Fabrication
Sheet Metal Cutting

Technical Parameters:

Parameter	Details
Name	Sheet Metal Bending Parts
Brand Name	Shenzhen Industrial Man
Material	Aluminum, Brass, Bronze, Copper, Stainless Steel
Model Number	Stamping Bending Forming Car Seat Machining
Tolerance	0.01-0.05mm
Product name	Stamping Bending Forming Car Seat Machining
Micro Machining or Not	Micro Machining
OEM/ODM	OEM ODM CNC Milling Turning Machining Service
Certification	ISO9001: 2015
CNC Sheet Metal Bending Machine	CNC Sheet Metal Bender, CNC Sheet Metal Bender

Applications:

Industrial Man Stamping Bending Forming Car Seat Machining

Industrial Man's Stamping Bending Forming Car Seat Machining is perfect for custom sheet metal fabrication. Through precision CNC sheet metal bending, our parts offer the highest level of accuracy with a tolerance of 0.01 to 0.05mm. Our parts are built for long-term durability and perfect for applications that require complex parts and precise fabrication. Our parts are certified by ISO 9001:2015 for micro-machining processes.

Our Stamping Bending Forming Car Seat Machining is perfect for a variety of industries including aerospace, automotive, medical, and industrial. With our custom sheet metal fabrication, you can count on Industrial Man to provide you with parts that are built with the highest quality standards. Whether you need a part for a prototype or a finished product, Industrial Man has you covered. Our team of experienced engineers and technicians are committed to providing you with the highest level of customer service and satisfaction.

Customization:

Shenzhen Industrial Man Sheet Metal Bending Parts

Brand Name: Shenzhen Industrial Man
Model Number: OEM
Place of Origin: Guangdong, China
Name: Sheet Metal Bending Parts
Micro Machining or Not: Micro Machining
Product name: Stamping Bending Forming Car Seat Machining
OEM/ODM: OEM ODM CNC Milling Turning Machining Service

We offer tailor-made services for Sheet Metal Bending Parts that meet the highest quality standards. Our Sheet Metal Bending Parts are made of top grade aluminum and are perfect for bending sheet metal, aluminum sheet metal fabrication, and aluminum sheet metal fabrication service. Our skilled machinists will use the latest technologies to ensure precision and accuracy in every part with high quality surface finish. We also provide custom OEM and ODM services to meet your individual requirements.

Support and Services:

Technical Support and Services for Sheet Metal Bending Parts

We provide the highest quality technical support and services for our sheet metal bending parts. Our team of experienced technicians and engineers is available to answer any questions and provide assistance with all aspects of our products. We also offer comprehensive maintenance and repair services to keep your sheet metal bending parts in top working order.

Our team is also available to provide advice and guidance on how to best use our products in your specific application. We are committed to providing timely and reliable service to ensure that your sheet metal bending parts are up and running. We can also provide custom solutions and modifications to meet your exact requirements.

If you have any questions or would like to learn more about our technical support and services for sheet metal bending parts, please contact us today.

Packing and Shipping:

Packaging and Shipping for Sheet Metal Bending Parts

Sheet Metal Bending Parts are packaged in cardboard boxes and shipped to the customer. The boxes are strong and secure, providing protection for the parts during transit. The boxes are labeled with the customer's name and address, and all shipping paperwork is

included with the shipment. All shipments are sent via a reputable carrier, and tracking information is provided to the customer for their convenience.

FAQ:

Q: What is Industrial Man Sheet Metal Bending Parts?

A: Industrial Man Sheet Metal Bending Parts is a product from Industrial Man with model number OEM, which is made in Guangdong, China.

Q: What material is used for Industrial Man Sheet Metal Bending Parts?

A: Industrial Man Sheet Metal Bending Parts is made of high quality metal material.

Q: What is the size of Industrial Man Sheet Metal Bending Parts?

A: Industrial Man Sheet Metal Bending Parts can be customized to meet your size requirements.

Q: How many colors can Industrial Man Sheet Metal Bending Parts be made in?

A: Industrial Man Sheet Metal Bending Parts can be made in a variety of different colors.

Q: How is Industrial Man Sheet Metal Bending Parts packaged?

A: Industrial Man Sheet Metal Bending Parts are usually packed in cartons or plastic bags.
