

## Custom Aluminium Sheet Metal Bending Parts Fabrication Services

Our Product Introduction

For more products please visit us on [lathecnrmachining.com](http://lathecnrmachining.com)

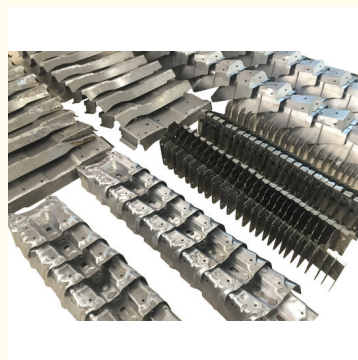

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Shenzhen Industrial Man
- Certification: ISO9001: 2015
- Model Number: Stamping Bending Forming Car Seat Machining
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

### Product Specification

- Product Name: Stamping Bending Forming Car Seat Machining
- Tolerance: 0.01-0.05mm
- Name: Sheet Metal Bending Parts
- Micro Machining Or Not: Micro Machining
- OEM/ODM: OEM ODM CNC Milling Turning Machining Service
- Highlight: Custom Sheet Metal Bending Parts, Aluminium Sheet Metal Bending Parts, Custom aluminium bending services

### Product Description

**Product Description:**

Our Product

#### Shenzhen Industrial Man Sheet Metal Bending Parts

Shenzhen Industrial Man is one of the most trusted and reliable brands when it comes to sheet metal bending parts. We specialize in providing custom sheet metal fabrication services which include aluminum sheet metal fabrication, CNC sheet metal bending machine, and custom sheet metal fabrication.

Our sheet metal bending parts are made from the highest quality materials such as aluminum, brass, bronze, copper, and stainless steel. Every product is carefully crafted and tested to ensure that our customers receive only the best results. Our products are certified ISO9001: 2015, guaranteeing that they are of the highest standards.

At Shenzhen Industrial Man, we are committed to providing our customers with the best products and services. We are dedicated to providing our customers with the highest quality products and services, and strive to exceed their expectations. We are proud to be the leading manufacturer of sheet metal bending parts and are committed to providing our customers with the best products and services.

### Features:

**Product Name:** Sheet Metal Bending Parts

**Material:** Aluminum, Brass, Bronze, Copper, Stainless Steel

**Tolerance:** 0.01-0.05mm

**Product name:** Stamping Bending Forming Car Seat Machining

**OEM/ODM:** OEM ODM CNC Milling Turning Machining Service

**Custom Sheet Metal Fabrication**

**Aluminum Sheet Metal Fabrication**

**CNC Sheet Metal Bending Machine**

### Technical Parameters:

Product Name	Stamping Bending Forming Car Seat Machining
Material	Aluminum, Brass, Bronze, Copper, Stainless Steel
Micro Machining or Not	Micro Machining
Certification	ISO9001: 2015
OEM/ODM	OEM ODM CNC Milling Turning Machining Service
Tolerance	0.01-0.05mm
Model Number	Stamping Bending Forming Car Seat Machining
Brand Name	Shenzhen Industrial Man
Name	Sheet Metal Bending Parts
Keywords	Aluminum Sheet Metal Fabrication, CNC Sheet Metal Bender, Bending Sheet Metal Parts

### Applications:

The Sheet Metal Bending Parts made by Industrial Man have great precision and are able to meet high tolerance requirements with a tolerance of 0.01-0.05mm. It is made of various materials such as aluminum, brass, bronze, copper and stainless steel. This product is suitable for many applications and scenarios such as CNC sheet metal bender, bending sheet metal parts and custom sheet metal fabrication.

The Sheet Metal Bending Parts are produced with high quality and are able to meet all kinds of requirements. It can be used for various purposes such as car seat machining and other small manufacturing tasks. The product is also suitable for many industries including automotive, aerospace, medical and others. It is reliable and durable, so it can be used for a long time.

Industrial Man's Sheet Metal Bending Parts are of high quality and can be customized according to customer's specific needs. They are also available in different sizes and shapes to meet different requirements. It is also a cost-effective solution for many manufacturers. The product is easy to install and maintain, so it can be used for many years.

### Customization:

Customized Sheet Metal Bending Parts service provided by **Shenzhen Industrial Man**, with **OEM** and **ODM** CNC Milling Turning Machining Service to meet your needs. Our sheet metal bending parts are made of **Aluminum, Brass, Bronze, Copper and Stainless Steel**, and certificated with **ISO9001:2015**. We have advanced **CNC Sheet Metal Bending Machine** to make sure our **Sheet Metal Bending Parts** are of high quality and with accurate dimension. Get your desired **OEM Sheet Metal Bending Parts** from us now!

### Support and Services:

Sheet Metal Bending Parts Technical Support and Service

Our Sheet Metal Bending Parts are designed with quality in mind. Our experienced team of engineers and technicians will provide the highest level of support to ensure your project is successful. Our services include:

**Design and prototyping**

**Prototype testing and validation**

**Production tooling and manufacturing**

**On-site installation and setup**

**Ongoing maintenance and repairs**

**Customized parts and components**

We are committed to providing the best support and service for our Sheet Metal Bending Parts. Our goal is to ensure your project is completed on time and within budget. If you have any questions or concerns, please feel free to contact us.

### Packing and Shipping:

Packing and Shipping of Sheet Metal Bending Parts

Sheet metal bending parts should be packed, handled, and shipped with care. All parts should be wrapped in plastic or paper bags and placed in a box or crate. The box or crate should be secured with tape or banding straps to avoid shifting during transport. Additionally, a label should be placed on the box indicating the contents and destination.

Parts should be shipped using a reliable shipping method that can protect the parts from damage during transit. A tracking number should be obtained and provided to the customer to ensure that the parts are delivered safely and on time.
