

Metalworking Stamping Aluminum Sheet Metal CNC Engineering

Our Product Introduction

For more products please visit us on lathecnmachining.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Industrial-Man
- Certification: IATF 16949: 2016/ISO 9001:2015
- Model Number: OEM
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- Equipment: CMM, CNC(5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, RIM
- Item: Plastic Cnc Mini Car Model For Prototype
- Surface Treatment: Painting;chrome Plating;slik Screen;polish;highly Polished Etc
- Micro Machining Or Not: Micro Machining
- Highlight: **CNC stamping aluminum sheet metal,**
Metalworking stamping aluminum sheet metal,
CNC metalworking stamping

Product Description

Product Description:

Industrial-Man offers a high-tech CNC Car Model that is perfect for micro machining. This product is made from high-quality plastics and comes with CNC Machine Accessories, CNC Turning Parts, CNC Bicycle Parts, and other components. It is suitable for use with CMM, CNC (5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, and RIM. The product is manufactured in Guangdong, China, and is designed to withstand the toughest conditions and provide you with a reliable and durable product. With its precision machining and superior design, the CNC Car Model is perfect for producing prototypes and prototypes of any kind.

Features:

Product Name: CNC Car Model

Item: Plastic Cnc Mini Car Model For Prototype

Surface treatment: Painting;chrome Plating;slik Screen;polish;highly Polished Etc

Micro Machining or Not: Micro Machining

Place of Origin: Guangdong, China

Equipment: CMM, CNC(5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, RIM

CNC Hardware Parts

CNC Machine Accessories

CNC Machine Accessories

Technical Parameters:

Attribute	Details
Place of Origin	Guangdong, China
Equipment	CMM, CNC (5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, RIM
Brand Name	Industrial-Man
Surface treatment	Painting; Chrome Plating; Silk Screen; Polish; Highly Polished Etc.
Micro Machining or Not	Micro Machining
Item	Plastic CNC Mini Car Model For Prototype
CNC Medical Parts	Yes
CNC Bicycle Parts	Yes
CNC Hardware Parts	Yes

Applications:

Industrial-Man's CNC Car Model, with the model number OEM, is a German-made CNC machine crafted from parts that have been sourced from Guangdong, China. It has undergone a variety of surface treatments such as painting, chrome plating, silk screening, polishing, and highly polishing. It is equipped with CMM, CNC (5 Axis) machines, CNC mill & turn & lathe, wire cutter, and RIM for micro machining. This model is perfect for CNC machine accessories and CNC hardware parts.

Customization:

Customized CNC Car Models from Industrial-Man

Industrial-Man is proud to offer its OEM CNC Car Models, with the model number OEM. These models are made with the highest quality materials, and come from Guangdong, China. Our CNC Car Models come equipped with CMM, CNC (5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, RIM, and more. Our products are all micro machined with various surface treatments, including painting, chrome plating, silk screen, polishing, and highly polished. We specialize in CNC Bicycle Parts, CNC Turned Components, and CNC Engineering Machine Parts.

Our skillful engineers have the experience to customize any model according to your exact specifications. From complex parts to precise details, Industrial-Man's custom CNC Car Models will exceed expectations. Contact us today to get started!

Support and Services:

We provide technical support and service for CNC Car Model.

Technical support:

We offer free online technical support for our CNC Car Model.

We provide phone and email support for our customers.

We have experienced technicians who can answer any questions you may have.

Service:

We offer a warranty on all CNC Car Model products.

We can repair or replace any defective parts.

We offer a money-back guarantee on all products.

Packing and Shipping:

Packaging and Shipping for CNC Car Model

The CNC Car Model will be packed in a secure cardboard box with protective foam inserts. The box will be labeled with the product name, customer name, and address.

Shipping will be done through a reliable courier service. The customer will be provided with a tracking number so that they can track the shipment. The shipment will be insured to cover any damage or loss.

FAQ:

Q&A about Industrial Man OEM CNC Car Model

Q: What is the brand name of this CNC Car Model?

A: The brand name of this CNC Car Model is Industrial Man.
Q: What is the Model number of this CNC Car Model?
A: The Model number of this CNC Car Model is OEM.
Q: Where is this CNC Car Model made?
A: This CNC Car Model is made in Guangdong, China.
Q: What material is this CNC Car Model made of?
A: This CNC Car Model is made of high-grade aluminum.
Q: What is the speed of the CNC Car Model?
A: The speed of the CNC Car Model is 30m/min.
