

Polished CNC Precision Sheet Metal Stamping Industrial Metal Press Automotive Parts

Our Product Introduction

For more products please visit us on lathecnmachining.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Industrial-Man
- Certification: IATF 16949: 2016/ISO 9001:2015
- Model Number: OEM
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C,D/A,D/P,T/T,Western Union,MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- Micro Machining Or Not: Micro Machining
- Item: Plastic Cnc Mini Car Model For Prototype
- Equipment: CMM, CNC(5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, RIM
- Surface Treatment: Painting;chrome Plating;slik Screen;polish;highly Polished Etc
- Highlight: **Polished Precision Sheet Metal Stamping, CNC Precision Sheet Metal Stamping, CNC industrial metal press**

Product Description

Product Description:

Our Product

Industrial-Man CNC Car Model

Industrial-Man offers a wide variety of CNC Car Model products for prototyping and automotive parts production. Our CNC Car Models are made from high-grade plastic materials and have a smooth finish. The surface of our CNC Car Models can be customized with a variety of treatments, including painting, chrome plating, silk screening, polishing, and highly polished. Our CNC Car Models are manufactured in the Guangdong, China, and are tested to meet the highest standards of quality.

At Industrial-Man, we specialize in CNC Machine Automotive Parts, CNC Medical Parts, and CNC Turning Parts. Our CNC Car Models are designed to meet exact specifications and offer superior performance over traditional manufacturing methods. Our CNC Car Models can be produced with a variety of micro machining techniques, allowing for a more precise and accurate finish. We use state-of-the-art technology to ensure that our products are of the highest quality and meet the most stringent requirements.

We are committed to providing our customers with quality CNC Car Models that are cost-effective and reliable. Our CNC Car Models are designed to meet the needs of a variety of industries and applications. Our experienced team of engineers and technicians are available to assist with any questions or concerns you may have. Contact us today to learn more about our CNC Car Models and how we can help you get the prototype or automotive parts you need.

Features:

Product Name: CNC Car Model

Brand Name: Industrial-Man

Micro Machining or Not: Micro Machining

Item: Plastic Cnc Mini Car Model For Prototype

Surface treatment: Painting;chrome Plating;slik Screen;polish;highly Polished Etc

Equipment: CMM, CNC(5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, RIM

CNC Engineering Machine Parts

German Made CNC Machines

Technical Parameters:

Item	Description
Product Name	Plastic Cnc Mini Car Model For Prototype
Micro Machining	Micro Machining
Place of Origin	Guangdong, China
Equipment	CMM, CNC(5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, RIM
Brand Name	Industrial-Man
Surface Treatment	Painting;chrome Plating;slik Screen;polish;highly Polished Etc
CNC Machine Automotive Parts	Yes
CNC Hardware Parts	Yes
CNC Bicycle Parts	Yes

Applications:

Industrial-Man's OEM CNC Car Model is designed and manufactured with German made CNC machines. It is made from high quality plastic and is available with surface treatment options including painting, chrome plating, silk screen, polish and highly polished surfaces. This CNC car model is suitable for medical parts and CNC turned components. It has high precision micro machining capabilities and is perfect for producing prototypes. The CNC car model from Industrial-Man is made in Guangdong, China and is designed to provide a cost-effective solution for customers.

Customization:

Industrial-Man offers customized CNC Car Model services featuring Brand Name: Industrial-Man, Model Number: OEM, Place of Origin: Guangdong, China, Micro Machining or Not: Micro Machining, Item: Plastic Cnc Mini Car Model For Prototype, and Equipment: CMM, CNC(5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, RIM. Our CNC Car Model services are designed to meet the highest standards of precision and accuracy, and are made with premium CNC Machine Automotive Parts and German Made CNC Machines, as well as CNC Hardware Parts.

Support and Services:

CNC Car Model Technical Support & Services

We provide technical support and services for our CNC Car Model. Our team of highly trained professionals is available to assist you 24/7. The following services are available to ensure that you get the most out of your CNC Car Model.

Installation and setup assistance

Troubleshooting and repair

Software updates and upgrades

User guides and manuals

Online tutorials

Live chat support

Phone support

We take pride in the quality of our products and service and will do our best to ensure your satisfaction. If you have any questions or concerns, please do not hesitate to contact us.

Packing and Shipping:

Packaging and Shipping for CNC Car Model:

The CNC car model will be securely packaged in a box.

The box will be wrapped in bubble wrap.

The package will be shipped out via a reputable shipping company.

FAQ:

Q	A
What is the brand name of the CNC Car Model?	The brand name of the CNC Car Model is Industrial Man.
What is the model number of the CNC Car Model?	The model number of the CNC Car Model is OEM.
Where is the CNC Car Model manufactured?	The CNC Car Model is manufactured in Guangdong, China.
What materials is the CNC Car Model made of?	The CNC Car Model is made of high-quality aluminum alloy.
What is the weight of the CNC Car Model?	The CNC Car Model weighs approximately 5 kg.
