

CNC RIM Precision Sheet Metal Stamping Fabrication For Prototype

Our Product Introduction

For more products please visit us on lathecnrmachining.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Industrial-Man
- Certification: ISO9001:2015
- Model Number: OEM
- Minimum Order Quantity: 1PC
- Price: Negotiable
- Packaging Details: As the requirement of customer
- Delivery Time: 7-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000Pcs/ Month

Product Specification

- Surface Treatment: Painting;chrome Plating;slik Screen;polish;highly Polished Etc
- Micro Machining Or Not: Micro Machining
- Item: Plastic Cnc Mini Car Model For Prototype
- Equipment: CMM, CNC(5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, RIM
- Highlight: **CNC RIM Precision Sheet Metal Stamping, Prototype Precision Sheet Metal Stamping, CNC RIM metal stamping fabrication**

Product Description

Product Description:

Our Product Introduction

CNC Car Model is a product from Guangdong, China. It is made of high quality plastic and has various surface treatments, such as painting, chrome plating, silk screen, polishing and highly polished, etc. This car model is suitable for prototype. It is made with CMM, CNC (5 axis) machines, CNC mill & turn & lathe, wire cutter and RIM. It is a high precision product with German made CNC machines. It is ideal for producing CNC medical parts, CNC turned components and other related products. With its high accuracy and high quality, CNC Car Model is great for making miniature car models for hobbyists or professionals.

Features:

Product Name: CNC Car Model
Place of Origin: Guangdong, China
Equipment: CMM, CNC (5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, RIM
Brand Name: Industrial-Man
Micro Machining or Not: Micro Machining
Item: Plastic Cnc Mini Car Model For Prototype
CNC Turned Components
CNC Hardware Parts
CNC Turning Parts
CNC Machining Parts

Technical Parameters:

Equipment	Micro Machining or Not
CMM, CNC(5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, RIM	Micro Machining
Item	Surface treatment
Plastic Cnc Mini Car Model For Prototype	Painting;chrome Plating;silk Screen;polish;highly Polished Etc
Brand Name	Place of Origin
Industrial-Man	Guangdong, China

Applications:

Industrial Man's CNC Car Model (OEM) is a highly precise and reliable product that is designed and produced in Guangdong, China. It is a perfect choice for CNC engineering machine parts, German made CNC machines, CNC turned components, CNC milling parts and CNC car model. It is a perfect choice for all kinds of precision machining, micro machining and CNC machining. The item is made of high-quality plastic, and its surface can be treated with painting, chrome plating, silk screen, polish and highly polished, etc. It is equipped with CMM, CNC(5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, RIM, etc. These CNC machines offer a high degree of accuracy and reliability. With these powerful machines, the CNC car model can be used for various applications, such as modeling, prototyping, manufacturing, etc.

Customization:

Customized CNC Car Model by Industrial Man
Industrial Man offers customized CNC car model services with the following product attributes:
Brand Name: Industrial Man
Model Number: OEM
Place of Origin: Guangdong, China
Micro Machining or Not: Micro Machining
Item: Plastic Cnc Mini Car Model For Prototype
Equipment: CMM, CNC(5 Axis) Machines, CNC Mill & Turn & Lathe, Wire Cutter, RIM
Surface treatment: Painting;chrome Plating;silk Screen;polish;highly Polished Etc
Our CNC car model services focus on CNC Turning Parts, CNC Bicycle Parts, German Made CNC Machines and Automotive CNC Parts.

Support and Services:

Technical Support and Service for CNC Car Model

Our CNC Car Model comes with a comprehensive technical support and service. We provide phone and online support to assist customers in troubleshooting, maintenance and repair of the product. Additionally, we also provide online resources such as product manuals, video tutorials, and FAQs, to enable customers to quickly find answers to their questions. We also provide a warranty for our CNC Car Model. The warranty covers defects in material and workmanship that occur within a designated period of time after purchase. During the warranty period, we will repair or replace any defective parts at no additional cost to the customer.

In addition, we offer an extended warranty program for our CNC Car Model. Customers can purchase an extended warranty to extend the coverage of the warranty period. They can also purchase additional coverage for specific components of the product, such as the motor or transmission.

We are committed to providing exceptional customer service and technical support for our CNC Car Model. If you have any questions about the product or need assistance, please contact us.

Packing and Shipping:

The CNC Car Model is packaged and shipped with the following instructions:

The product is packaged in a secure cardboard box.

The box must be taped securely.

The box must be labeled with the address of the recipient.

A valid tracking number must be attached to the box.

The box must be shipped using a reliable carrier.

FAQ:

Q: What is the brand name of the CNC Car Model?

A: The brand name is Industrial Man.

Q: What is the model number of the CNC Car Model?

A: The model number is OEM.

Q: Where is CNC Car Model manufactured?

A: The CNC Car Model is manufactured in Guangdong, China.

Q: Does the CNC Car Model require any special tools for installation?

A: The CNC Car Model does not require any special tools for installation.

Q: What materials is the CNC Car Model made of?

A: The CNC Car Model is made from high-quality and durable materials.
